This Syllabus is brought to you for free and open access by the Course Syllabi at ScholarWorks at University of Montana. It has been accepted for inclusion in Syllabi by an authorized administrator of ScholarWorks at University of Montana. For more information, please contact scholarworks@mso.umt.edu.
Text: *Range Development and Improvements* by John Vallentine

Information presented in the course includes lectures, handout materials, slides and videos, and printed materials (research bulletins, commercial advertisements, price lists, etc.). Review questions will be provided before each exam.

Take-home exercises will be provided throughout the semester. These will be graded and will be included in the final grade.

Grading System:
- Mid-term exam I = 40%
- Mid-term exam II = 40%
- Take-home exercises = 20%

Letter grade: A = 90-100  B = 80-89  C = 70-79  D = 60-69  F = 0-59

The + and - symbols will be used to further designate the grade.
