ASUM Office Manager
Resolution to amend Fiscal Policy 9.0, Student Appropriations

Whereas, senators and executives have the responsibility of making a well educated decision when budgeting student funds;

Whereas, it is the responsibility of student organization and unions to provide the information necessary to make these well educated decisions;

Whereas, it is the responsibility of organizations’ fiscal officers to provide a comprehensive accounting of funds;

Whereas, officers should be provided with the skills needed to complete said accounting;

Therefore, let it be resolved that ASUM Fiscal Policy be amended to read:

9.4.1 Budget Request and Reporting Form and Budgeting Packet. The Business Manager shall prepare a Budget Request and Reporting Form and a comprehensive packet explaining the budget process including a timeline. Budget Request and Reporting Forms shall be provided in electronic format for ease of input and calculations.

9.4.3 Budget Request and Reporting Forms shall provide detailed information on alternate revenue sources, additional expenses covered by that revenue, and expenditure of ASUM funds for the current fiscal year. Budget Request and Reporting forms shall provide detailed line item justification for monies requested for the following fiscal year.

9.4.5 The Budget Request and Reporting Form and packet shall be made available to all organizations by the third academic day of the Spring Semester in the ASUM office. The form and packet shall be available until Student Forum as designated in ITEM 9.6.

9.6.0 Student Forum. Upon receiving the total appropriation figures, the Board shall hold a minimum of one two (42) publicized student forums, which shall be organized by and presided over by the Business Manager. A forum shall be held during the second academic week of the Spring Semester. The Business Manager shall explain the budgeting procedure, reporting process, and fiscal policy to participants, assist with using electronic forms, and answer questions. The Board shall present the proposed Categorical Funding Percentages at the Student Forum. Categorical Funding Percentages refer to the percentage of the Activity Fee budget allocated to each funding category.

9.6.1 An additional student forum shall be held within the first four academic weeks of the Fall Semester. In this forum, the Business Manager shall provide student groups with the information they need to maintain an accurate comprehensive budget throughout the year and manage their funds effectively.

9.8.0 Budget Request and Reporting Form Due Date and Approval. Budget Request and Reporting Forms shall be due at the end of the third academic week of the Spring Semester. The Business Manager shall inform organizations of the due date for Budget Request and Reporting Forms. No Budget Request and Reporting Form shall be accepted after that date. Budget Request and Reporting Forms shall be submitted to the Business Manager so that each one can be approved solely on the basis of accuracy and adherence to the Fiscal Policy. If the Business Manager does not approve a budget request form due to its apparent deviation from the Fiscal Policy, the request form shall be taken to the Board. Resolution to Amend Bylaws Article III, Section 2

Whereas, the Associated Students of The University of Montana (ASUM) Bylaws are one of the five sets of codes that determine the proper conduct of the ASUM organization;

Whereas, not acting in accordance with the codes of ASUM undermines the legitimacy of both the ASUM codes and the association itself;

Whereas, it is therefore important that ASUM senators and executives act in accordance with the ASUM Bylaws;

Whereas, ASUM Bylaws do not correspond to the current practices of the ASUM senate;

Whereas, ASUM senators must choose either to adhere to the language stricken below or alter their bylaws so that ASUM’s practices and bylaws are consistent;

Whereas, the vast majority of senators have not adhered to the duties mentioned below;

Therefore Let It Be Resolved that the ASUM senate amends its Bylaws, Article III, section 2 to read as follows:

Section 2. Duties. All senators must carry out their duties as listed in the Constitution and Personnel Policy.
A. All Senators shall serve on at least two boards or committees unless specifically exempted by the Vice President.
B. All Senators shall attend all Senate meetings, for the duration of the meeting, unless excused by the President or the chair.
C. Any presidential appointments made to fill vacant Senate seats shall be approved by a two-thirds (2/3) majority vote of the Senate.
D. All ASUM Executives and Senators are required to staff an ASUM table in the UC no less than two hours per semester with the purpose of staying in touch with the student body at the University of Montana to address issues of concern. Failure to do so will result in an unexcused absence.
E. D. All Senators shall formally be required to hold one office hour each five-day week in the ASUM office on the mountain campus or at either the east or west campus of the College of Technology. All Senators shall formally be required to hold one office hour each month at either the east or west campus of the College of Technology. The Vice President shall be entrusted with the duty to organize and enforce the office hour requirement of Senators. The Vice President shall retain the discretionary power as to any manner of publication of Senator office hours.
1. This office hour must occur between 8 a.m. and 4 p.m. Monday through Friday.
2. The office hour served at the east or west campus of the College of Technology will not be in place of the mountain campus hour.
3-2. Failure to do so beyond three missed office hours will result in an unexcused absence.
4. The office hours will be started by the Monday before the third Senate meeting and will be held each day that regular classes meet. Office hours will not be required during days when classes are not held or during the week before finals week.
