MAY 14, 15, 16, 17, 1930

WELCOME

One of the events we look forward to each spring is the throng of high school boys and girls from all over Montana who swarm the campus of the State University to participate in the Annual Interscholastic. We are glad to have a part, through the Interscholastic, in the development of the physical, social, and ethical ideals of young Montana. Education is for the development of the ability for living a complete life, and the contests of the Interscholastic are planned to help in the attainment of this goal. You can't all be winners but you can all be sportsmen. Good sportsmanship like living is always worth lots more than just winning—and certainly all good sportsmen are sincerely welcome.

CHARLES H. CLAPP,
President.
