WELCOME

On behalf of the students and faculty of the State University of Montana, I am happy to again welcome to the annual Interscholastic the high school students and faculty of the state. Calendars to the contrary, the Interscholastic is considered the "official" opening of spring for us in Missoula; and after a particularly long winter, the welcome is even more sincere than usual. We are glad you are here, and hope you will take this opportunity to become acquainted with your State University and what it has to offer to the boys and girls as well as the men and women of Montana.
