WELCOME

At this time of the year when hope is brightest, Montana State University extends a hearty welcome to those in whom it has greatest hope—the young people representing the High Schools of the state. The world is faced with serious problems. In their solution you will be called upon to play your part. But for the present we are more interested in the part you are to play in the activities of this Interscholastic Week. We hope and believe that the transitory joy of winning and the equally transitory regret at losing will be overshadowed by the lasting memory of the friendly spirit which characterizes the meet.

CHARLES H. CLAPP,
President.
