## WELCOME

Montana State University is very proud of its spring Interscholastic Meet. It is very anxious to keep in close touch with the high schools of Montana, to furnish such high schools with principals, teachers, and coaches. Our college students of today were the high school pupils of yesterday, and they will be the leading citizens of Montana tomorrow. This is one of the most rapidly growing universities in America, and one of its goals has been to keep Montana college students and particularly Montana college athletes in their own institutions. Sportsmanship in everything is one of the finest qualities developed during years of schooling by a young man or a young woman. It cannot be taught in the classroom, but it can be learned on the athletic field. Again we welcome you to our campus.

GEO. FINLAY SIMMONS,

President.
