MAY 9, 10, 11, 1940

WELCOME

We at your State University welcome the high school students and their parents and instructors to the 37th Interscholastic Meet on this campus. Each spring at the time of this interesting and entertaining occasion, we are delighted to have you come from every corner of the state for the track and field competition, for debates and theater presentations, for tennis and journalism sessions.

This is your institution, and we want you to make yourselves completely at home. You will find our University faculty and students a very friendly lot of people. They are very glad to show you the classrooms and laboratories, the Library and Student Union facilities, and to answer any question which you may have about anything that many interest you here.

We are particularly anxious for you to see the new Chemistry-Pharmacy Building and the Natural Science Annex, completed since last year's meet. Completed just a year before that was the new residence hall, the previous year the Journalism and Art Buildings.

GEORGE FINLAY SIMMONS
President
