*Across the  
Board - Tax  
Recommendations*

Mr. President:

In the U. S. News & World Report of March 5, 1954, there is an article on the tax proposals made by the distinguished Senator from Georgia wherein he suggested that the tax exemption be raised from \$600 to \$800 this year and from \$800 to \$1000 the next year.

I am in full accord with the proposals of the Senator from Georgia and I want to assure him that he will have my full support in his across-the-board tax recommendations.

I should like at this time to request that the article on the distinguished Senator from Georgia be inserted in the appendix of the Record.
