## WELCOME

Your State University takes great pleasure in welcoming you to the Annual Interscholastic Meet, whether you come as a participant or as a spectator. If you take part in the contest and fail to win an award, we trust that you will realize that only the few can win but all can profit from honest efforts to do so.

We hope that while you are here you will take the opportunity to become better acquainted with the University and will get some idea of the worthwhile work which it is doing from day to day in its attempt to serve the youth and others of the state.

Enjoy it all.
