## President's Welcome

Again it is my pleasure and privilege to welcome the contestants and guests to the annual Interscholastic Week activities. Montana State University, its students and faculty, are delighted to have you here and hope you will come back to us again, either as participants in future Interscholastics, or as high school graduates intent on continuing your education in a Montana school.

We wish it were possible for each of you to carry away an emblem of victory. It is more important, however, that you gain from your Interscholastic Week experience a sense of accomplishment at having expended your best efforts regardless of outcome.

Among your welcomers on this campus you will find many participants and winners in past Interscholastic events. They are here not only to perfect the talents they manifested in their pre-college days, but to prepare themselves further for responsible citizenship and successful futures in the careers of their choice. We hope you will consider seriously following in their footsteps.

JAMES A. McCAIN,  
President

## GOVERNOR'S WELCOME

"Interscholastic" has come to be a magic word throughout Montana—synonymous with Spring, with graduation, with a memorable trip to Missoula and a thrill-packed week of colorful competition. As participants or spectators at this biggest-of-all Montana events, you may not fully appreciate the thousands of hours of detailed preparation necessary to organize and present an event of this size, but you can and will appreciate the end result.

Montana State University, with the cooperation of the entire faculty and student body, will make your Interscholastic visit a never-to-be-forgotten occasion. The City of Missoula is always a genial host. I urge both parents and graduating seniors to take advantage of the opportunity thus afforded you to inspect the University closely while you are here. Talk with faculty members, tour the campus, and plan your future, or your children's future, during this memorable week-end.

As Governor of Montana and a graduate of her University, I commend all who contributed to the success of the 43rd Interscholastic and I share the pride of the University in saying "Welcome—to the Climax of your High School year!"

*JOHN W. BONNER*  
*Governor of Montana*
