## PRESENTATION OF COLORS

NATIONAL ANTHEM—Cassandra Norville

The Star Spangled Banner  
Oh, say! can you see by the dawn's early light  
What so proudly we hailed at the twilight's last gleaming,  
Whose broad stripes and bright stars, through the perilous fight  
O'er the ramparts we watched, were so gallantly streaming?  
And the rockets' red glare, the bombs bursting in air,  
Gave proof through the night that our flag was still there.  
O, say, does that Star Spangled Banner yet wave  
O'er the land of the free and the home of the brave?

Oh, May the name full honored by

### The Excellence Fund Senior Challenge

The Excellence Fund Senior Challenge 1993 Campaign provides an opportunity for the students graduating this year to support the University's academic programs by pledging their financial support. This year the campaign was coordinated by Karin Larson from Billings, Montana and Beth Marshall from Roberts, Montana. To date this year's graduates have pledged a record amount of \$27,225. Their generosity provides tangible evidence to other donors that our students value their education and understand the importance of private giving. The entire University thanks them for their gift.

## CENTENNIAL INFORMATION

During 1993 the University of Montana is celebrating its centennial. The first graduation exercise was held in 1898 for the two students who had earned degrees that year. This year almost 2100 students have completed degree requirements.

The class banners which are displayed above the stage are part of the University's history. From 1898 until 1970 a class banner or flag was designed and constructed every year by members of the graduating class. After 1970 the tradition was discontinued. A group of seniors have restored that tradition this year. The class of 1993 banner is prominently displayed along with the banners of the reunion alumni classes of 1933 and 1943.

## HONOR CORDS

Some of the students graduating today are wearing honor cords. Those wearing silver cords will graduate with honors. Those wearing gold cords graduate with high honors. The students wearing red cords are members of the Mortar Board, a national senior honorary society. Those wearing purple cords are members of Rho Chi, the Pharmacy Honor Society.

## CANDIDATES FOR DEGREES

Some of the students whose names are listed in this program are candidates for the degrees and honors indicated. The appropriate degrees and honors will be awarded to the candidates who have successfully completed all requirements by the date of Commencement. THE custom of wearing academic gowns, caps, and hoods dates back to about the twelfth century. In France, where the degree system probably had its inception, the wearing of the cap and gown marked the formal admission of the licentiate to the body of masters. During this period the dress of the friars and nuns became fixed, and, since the scholars were usually clerics, their robes differed little from those worn by other church orders. Gradually special forms were set aside for the university bodies, and in modified style are the costumes worn today. Since academic custom in this matter had become somewhat confused, in 1895 a commission representative of the leading colleges met and prepared a code which has been adopted by over seven hundred institutions in the United States and Canada. A committee of the American Council on Education revised the code in 1932.

Doctors wear the round, bell sleeve; the gown is faced down the front and barred on the sleeves with black velvet or velvet of color indicating the degree; the doctor's hood is large. Masters wear the long closed sleeve, with a slit near the upper part of the arm; the master's hood is of more moderate size. Bachelors wear the long, pointed sleeve. Hoods are lined with the colors of the institution granting the degree and are trimmed with velvet of the color distinctive of the major subject—for example, arts and letters, white; public administration, peacock blue; theology, scarlet; law, purple; philosophy, dark blue; science, golden yellow; fine arts, brown; medicine, green; music, pink; business administration, drab; physical education, sage green; engineering, orange; pharmacy, olive green; forestry, russet; library science, lemon; education, light blue; humanities, crimson; economics, copper; agriculture, maize; dentistry, lilac; oratory, silver gray; public health, salmon pink; veterinary science, gray. The Oxford or mortarboard cap, worn for each degree, is of black cloth with black tassel, except that the doctor's cap may be of velvet with tassel of gold. Unless local custom decrees otherwise, tassels are worn over the left temple.
