President's Welcome

The welcome mat is out for Montana's high school students, guests and contestants in the 47th Annual Interscholastic. It is a delight to have you here.

We hope you will get acquainted with your University. One new building has just been completed and four more are under construction, for your needs and those of future generations. Our teachers and students, many of whom have been participants in past Interscholastics, are anxious to meet you and visit with you while you are here.

It will be gratifying if you carry away an emblem of victory but, win or lose, it is more important that you gain a sense of having extended your best efforts. It will be a pleasure to see you here again later as University students but, if you do not go to college or if you attend one elsewhere, we want you to know that in the years to come you will always be welcome as a guest or visitor at Montana State University.

Carl McFarland

President

"Hi-Lites of Past Meets"

RAY ROCENE
Missoulian, Sports Editor

Nerve-jangling relay races with tight finishes deciding the last two Interscholastic class A trackmeet titles, bringing gasping supporters of the leading contenders to their feet for a final hoarse cheer.

Such close windups of the Interscholastic, down the stretch with the scoreboard, have been common in the sparkling Montana spring sports festival through the years, frequent in the days before the relay races counted points and the low hurdles or some lagging field event proved the deciding factor.

When Billings won in 1948 it was chunky Bobby Byrne, later one of the greatest Grizzly Silvertips ever, who nabbed second place in the low hurdles for the points that enabled Broncs to come from behind after edging close on a second place for Bob Graves, another Grizzly star later, in the broad jump.

In 1946, when Libby won the class B meet from Hamilton by three-fourths of a point, it was Raab of Thompson Falls whose last javelin toss, final event of the meet, sailed five feet farther than that of Duus of Hamilton to take away the point that might have won the meet for the Broncs.

The 1938 meet when Evan Roberts won the furlong and Dan Yovetich the low hurdles to send Butte Public in front of Missoula by three points. The 1931 meet when Rudy Saylor of Missoula won the final low hurdles and second in broad jump to bring Missoula within a point of Butte at the finish.

Walter (Bony) Custer of Missoula sailing over the bar at 12' 10" in 1930 to set a pole vault record not closely threatened since. It was on the last of his three tries after he had won the event at 11.6, and he kept on jumping, 11.10 on the first try, then 12.2, then 12.6, and 12.10 on his final chance. And then he failed to cross the bar at 13 feet.

A tall lad from a little school, Jimmy Seyler of Twin Bridges, setting the high jump record in the 1935 meet, and then moving on to the State University, where he also set the broad jump record to show versatility.

The 1918 meet when the Bitter Root valley finished one-two-three in the Interscholastic, Stevensville with 43 points, Hamilton with 36½, and Victor with 24, the closest for any of the big brothers Great Falls with 23. A great day for boys like Miles Romney, Ed O'Hare, Gil Porter, Les Bachman, Fred

Dowling, Clarence Downing, Ralph Hollibaugh, Leo Dwyer, Ed Cates, Ted Plummer, Earl Buck.

Tremendous strength of Harlan Phythian, the Billings Bronc, who later starred for the Trojans, and Bunney, the slender little Park County Ranger who walked away with the distance runs and later helped the Bobcats to important victories.

Bernie Smith, tall Manhattan boy, who collected 19½ points in the field events of the 1922 meet, winning the pole vault and the broad jump, another Negro boy of exceptional ability, tremendous sportsmanship spirit, great sportsmanship.

Big, blond Russell Sweet roaring down the track in the sweep of the sprints in 1923, coming later to Montana State University where he gained world renown in track, in football, in baseball. He came from Custer County high and he really ran, all of him.

A lithe jumper from White Sulphur Springs coming out of the unknown to win the broad jump with a leap of 22' 3¾" in 1931 and nobody has done any better since than D. Hamilton in that event.

Buck Stowe of Missoula burning the cinders in setting a furlong record way back then. Howard Hill and Herman Stark of Stevensville and how those Bitter Rooters ran and ran. Both later starred in Pacific Coast conference meets for the Grizzlies.

Tall John Shaffer from Custer County high also caught the eye in 1918, a boy who was strong in all field events, later starred for the Grizzlies, won the Northwest conference discus championship.

Courtland Burgess Howard, the great Gallatin County athlete, who carried the Bozeman school to honors for several years in succession, 1910-11-12-13.

A few of the old timers still talk about Danny Fish when the Montana Interscholastic trackmeet is mentioned. He was the Paul Bunyan of track and field sports, scored 30 points in all of the events he had time to enter for Missoula high in the trackmeet, the next day pitched for Missoula in the state high school baseball game with Butte. He wasn't a myth, he was real, and he came to Missoula from the Puget Sound in 1908 and a couple of months after the Interscholastic the state board of control suspended Missoula for two years because of Danny Gish. He went to the University of Washington and starred in track sports there.

Buddy Phelps, the chunky little Butte Negro, was the first great sprinter we saw on Dornblaser field. Remember him throwing mud in the faces of all foes in the 50, 100 and 220 yard dashes on a rainy afternoon as he breezed away.
