CLASS BANNERS

The class banners which are displayed above the stage are part of the University's history. From 1898 until 1970 a class banner or flag was designed and constructed every year by members of the graduating class. After 1970 the tradition was discontinued. A group of seniors restored that tradition in 1993. The class of 1996 banner is prominently displayed along with the banners of the reunion alumni classes of 1936 and 1946. This year the banner was designed by students from the Davidson Honors College.

HONOR CORDS

Some of the students graduating today are wearing honor cords. Those wearing silver cords will graduate with honors. Those wearing gold cords graduate with high honors. The students wearing red cords are members of the Mortar Board, a national senior honorary society. Those wearing purple cords are members of Rho Chi, the Pharmacy Honor Society. Those wearing green cords are members of the Order of Omega, a leadership honorary Society for members of Greek organizations.

CANDIDATES FOR DEGREES

Some of the students whose names appear in this program already have completed their degrees at the end of the past summer or autumn semesters. The other students are expected to receive their degrees and honors at the conclusion of this semester, provided they successfully meet all requirements.

HONORED ALUMNI

Graduates from the Class of 1936 and the Class of 1946 have joined us to participate in commencement and celebrate their 60th and 50th anniversaries. Members of the Class of 1936 are wearing silver robes and members of the Class of 1946 are wearing gold robes.

THE custom of wearing academic gowns, caps, and hoods dates back to about the twelfth century. In France, where the degree system probably had its inception, the wearing of the cap and gown marked the formal admission of the licentiate to the body of masters. During this period the dress of the friars and nuns became fixed and, since the scholars were usually clerics, their robes differed little from those worn by other church orders. Gradually special forms were set aside for the university bodies, and in modified style are the costumes worn today. Since academic custom in this matter had become somewhat confused, in 1895 a commission representative of the leading colleges met and prepared a code which has been adopted by over seven hundred institutions in the United States and Canada. A committee of the American Council on Education revised the code slightly in 1932 and again in 1960.

Doctors wear the round, bell sleeve, the gown is faced down the front and barred on the sleeves with black velvet or velvet of color indicating the degree; the doctor's hood is large, Masters wear the long closed sleeve, with a slit near the upper part of the arm; the master's hood is of more moderate size. Bachelors wear the long, pointed sleeve. Hoods are lined with the colors of the institution granting the degree and are trimmed with velvet of the color distinctive of the major subject—for example, arts and letters, white; public administration, peacock blue; theology, scarlet; law, purple; philosophy, dark blue; science, golden yellow; fine arts, brown; medicine, green; music, pink; business administration, drab; physical education, sage green; engineering, orange; pharmacy, olive green; forestry, russet; library science, lemon; education, light blue; economics, copper; agriculture, maize; dentistry, lilac; oratory, silver gray; public health, salmon pink; veterinary science, gray. The Oxford or mortarboard cap, worn for each degree, is of black cloth with black tassel, except that the doctor's cap may be of velvet with tassel of gold. Unless local custom decrees otherwise, tassels are worn over the left temple.
