The meeting adjourned at 7:28 p.m.

Carol Hayes
ASUM Office Manager
Resolution to Amend Fiscal Policy, Section 14.0

Whereas, travel requests and allocations, by and to, ASUM recognized student groups has seen a tremendous increase,

Whereas, lodging requests often make up large portions of a group's travel budget,

Whereas, dictated by Fiscal Policy, Section 14.0, Item 14.3.B, ASUM is only allowed to budget $12.50 per person (for 4 persons per room) per night, which equals $50.00 maximum,

Whereas, the current appropriation caps have not been changed for many years, hotel costs are now considerably higher than $50.00 per night for 4 people,

Therefore Let It Be Resolved that the Senate of the Associated Students of The University of Montana (ASUM) support the following changes to Fiscal Policy, Section 14.0, Item 14.3.B:

14.3 ASUM rates are:
A. Private Vehicle $.15/mile
B. Lodging (4 persons per room) $50.00 max. ($12.50/person)

Authored by: Senator Robert J. Welsh
Resolution to Send to Referendum a Constitutional Amendment

Whereas, there has been considerable controversy as to the vote on SB27-03/04 “Resolution On Behalf of Academic Freedom and Intellectual Diversity at The University of Montana,”

Whereas, the Vice President, acting as chair of the meeting, exercised the Chair’s right to make a tie, thus failing the resolution,

Whereas, the Vice President, acting as chair of the meeting, is granted the above power under Robert’s Rules of Order, “When there is a tie vote the motion fails, unless the chairman gives his vote for the affirmative, which he is at liberty to do...Where his vote in the negative will make a tie, he can cast it and thus defeat the measure,”

Whereas, Article I, Section 1, sub-point A of the House Rules of the Associated Students of The University of Montana (ASUM) reads, “Unless the ASUM Constitution or Bylaws dictate otherwise, Senate meetings shall be conducted according to Robert’s Rules of Order,”

Whereas, Article IV, Section 7 of the ASUM Constitution reads, “Meetings shall be conducted in accordance with Robert’s Rules of Order and the Chair of the meeting shall only vote in the case of a tie,”

Whereas, the presence of “and” in the above leads to vagueness of interpretation,

Whereas, in order to clarify Article IV, Section 7 of the ASUM Constitution,

Therefore Let It Be Resolved that the Associated Students of The University of Montana support sending the following referendum to the general student population during the Spring ’04 elections.

Article IV of the ASUM Constitution

Section 7. Meetings shall be conducted in accordance with Robert’s Rules of Order and the Chair of the meeting shall only vote in the case of a tie.

___ I support the proposed amendment to the Constitution.

___ I do not support the proposed amendment to the Constitution.

Endorsed By: Senator Vinnie Pavlish

Passed 2/4/04
A Resolution to Join the Montana Youth Vote Coalition In Order to Guarantee That the Student Voice is Heard in the 2004 Elections

Whereas, University of Montana-Missoula students turn out to vote at some of the highest rates of any university in the country;

Whereas, the Associated Students of The University of Montana has a long history of working in coalition with partners to guarantee that UM students are registered to vote, well-informed, and reminded to get to the polls;

Whereas, organizations are already forming the Montana Youth Vote Coalition to bring together youth-oriented organizations to help with a massive youth vote mobilization effort;

Whereas, working in partnership will prevent problems from duplication of efforts; and,

Whereas, a number of changes were made to Montana election law and ASUM owes it to students to notify them of changes.

Therefore Let It Be Resolved that the Associated Students of The University of Montana do hereby show their support for registering voters by joining the Montana Youth Vote Coalition. As the organization of the coalition becomes clear, the Student Political Action Director and the Student Political Action Committee are hereby empowered to interact with the coalition to pursue ASUM's goals of student involvement.
