The Climax of the High School Year

MONTANA STATE UNIVERSITY

Welcome and Dedication

49th ANNUAL

Interscholastic

Dr. J. W. Howard

It's always a pleasure to welcome you as contestants, participants and spectators to the Annual Interscholastic. It becomes a double pleasure when in so doing we can pay tribute at the same time to one of the men who has been a moving spirit behind its great and continued success.

Dr. J. W. Howard, professor of chemistry, retired last spring as chairman of the

Interscholastic committee after 14 years as director of the meet. He had been associated with the Interscholastic for more than half of its 49 years of existence, first as a committee member under the late Dr. J. P. Rowe and finally as his successor since 1940. He was actively engaged in planning the meet when many of the fathers and mothers of our present participants were themselves Interscholastic competitors.

As you enjoy the competition, the sportsmanship, and the comradeship of this Interscholastic, it might be well for you to consider your pleasant experiences in the light of the devotion and interest manifested in Montana youth over nearly half a century by such men as Dr. J. W. Howard, to whom this 49th Interscholastic is dedicated.
