Resolution Creating an Assistant Student Resolution Officer Pilot Position

Whereas, the nature of the ASUM Student Resolution Officer position involves complex negotiations between students and faculty;

Whereas, the ASUM Student Resolution Officer must know the procedures specified in the Collective Bargaining Agreement Between the University Teachers’ Union University of Montana and the Montana University System regarding the Student Complaint Procedure;

Whereas, a semester during which the incoming ASUM Student Resolution Officer could work as Assistant Student Resolution Officer under the current ASUM Student Resolution Officer would allow the position to have more continuity and allow the incoming ASUM Student Resolution Officer to learn the complexities of the system;

Whereas, hiring an ASUM Student Resolution Officer that understands the complexities of the system and creating continuity in the ASUM Student Resolution Officer position are both things that would directly benefit the Associated Students of The University of Montana;

Therefore, Let It Be Resolved That: The Associated Students of The University of Montana creates an ASUM Assistant Student Resolution Officer position for the duration of the Spring 2004 semester;

And Let It Be Further Resolved That: The ASUM Assistant Student Resolution Officer position will be paid sixteen hours per month at the rate of $6.25 per hour;

And Let It Be Further Resolved That: The duties of the ASUM Assistant Student Resolution Officer shall include:

   a) establishing and posting office hours;
   b) becoming familiar with the procedures specified in the Collective Bargaining Agreement Between the University Teachers’ Union University of Montana and the Montana University System regarding the Student Complaint Procedure;
   c) aiding the ASUM Student Resolution Officer in listening to and recording the complaints of specific students
   d) aiding the ASUM Student Resolution Officer in advising students on how to informally resolve their complaints within the initial 30-day period outlined in the UTU Bargaining Agreement (i.e., helping students with strategies best suited to resolve the dispute in their favor);
   e) aiding the ASUM Student Resolution Officer in drafting complaints and sending out notices to the individuals involved;
   f) aided the ASUM Student Resolution Officer in adequately preparing both himself/herself and the student to enable the procedure to provide the most favorable result for the student;
