SB62-03/04 Resolution to Amend the Bylaws, Article IV, Sections 9 and 12

Whereas, it is the responsibility of the ASUM Senate to oversee the actions of its classified staff,

Whereas, Senators trust committees to make educated decisions on student issues; particularly in regard to COT Affairs and Student Political Action;

Whereas, oversight by the Senate of the COT Student Assistant and the SPA Student Political Action Director is hindered difficult, and should be the responsibility of the appropriate committees;

Whereas, committees that these staff are involved with the Student Political Action Committee are comprised largely of members of the Senate, as well as students at large;

Whereas, committees are formed for the purpose of researching and discussing issues before they reach the committee of the whole;

Whereas, the bylaws currently do not allow for these committees the SPA Committee to oversee the actions of the classified staff connected to them SPA Director;

Therefore let it be resolved that the bylaws be amended as follows:

Article IV, Section 9
D. The SPA Committee shall oversee the actions of the SPA Director.

D. The SPA Committee shall serve as an advisory board to the SPA Director, providing guidance and supervision.

Article IV, Section 12
F. The COT Affairs Committee shall oversee the actions of the COT Student Assistant.

Passed 4/21/04
Motion to Censure the 2003-2004 Campaign Actions of President Aaron Flint and Vice President Gale Price

Whereas, in a recent Montana Kaimin article, dated 13 April 2004, both President Flint and Vice President Price admitted to knowingly violating the ASUM Elections By-Laws by having surpassed the then allowed spending limit of $175.00;

Whereas, as recorded in the minutes of the Senate of the Associated Students of The University of Montana, dated 14 April 2004, President Flint and Vice President Price admitted to breaking the Bylaws governing campaign expenditures.

Whereas, this is a serious offense, and had it come to light sooner, the entire 2003-2004 Presidential/Vice Presidential elections might should have been nullified or else even an impeachment action could have been brought;

Whereas, although the terms of both President Flint and Vice President Price are about to end, their misconduct is worthy of repudiation from the Senate of the Associated Students of The University of Montana;

Whereas, the Senate should enforce its own By-Laws diligently, especially those governing elections, where fairness needs to must be upheld;

Whereas, the Senate should make clear examples of those who knowingly and purposefully break its By-Laws;

Whereas, Associated Students of The University of Montana President (ASUM) Aaron Flint and ASUM Vice President Gale Price have not been forthcoming with all information and circumstances surrounding their election fraud;

Whereas, the misconduct of ASUM President Aaron Flint and ASUM Vice President Gale Price has shamed and dishonored the Associated Students of The University of Montana;

Whereas, the misconduct of ASUM President Aaron Flint and ASUM Vice President Gale Price will have lasting impacts on the reputation of the Associated Students of The University of Montana;

Whereas, the misconduct of ASUM President Aaron Flint and ASUM Vice President Gale Price appears to have broken Montana Code Annotated 45-7-203, which prohibits un-sworn falsification to public servants;

Therefore Let It Be Resolved that the Senate of the Associated Students of The University of Montana censures President Aaron Flint and Vice President Gale Price for their actions in the 2003-2004 ASUM elections by knowingly and purposefully breaking ASUM By-Laws governing campaign
expenditure limits and for having taken steps to ensure that those actions remained hidden.

And Let It Be Further Resolved, that the Associated Students of The University of Montana formerly formally and strongly encourage ASUM President Aaron Flint and ASUM Vice President Gale Price resign effective immediately;

And Let It Be Further Resolved, that the Associated Students of The University of Montana strongly encourages The University of Montana Administration to fully investigate all evidence of violations of The University of Montana Student Conduct Code by any parties involved in the election fraud misconduct.

Passed 14 Y 2 N 5 A on a Roll call vote 4/21/04
Resolution To Send Athletic Fee Increase to Student Referendum

Whereas, the Athletic Department and the University Administration have proposed increases to the student athletic fee from $30.00, currently, to $45.00 for 2004-2005, to $60.00 for 2005-2006,

Whereas, the proposed fee increase is highly significant, and an accurate method to ensure student participation in the decision making-process is to hold a referendum,

Whereas, the Administration recently withdrew the fee proposal from the Montana Board of Regents agenda, but has indicated that a fee increase is still the Administration choice of action,

Therefore Let It Be Resolved that the Senate of the Associated Students of The University of Montana (ASUM) send to referendum the following, based on existing knowledge of the fee increase proposal:

Referendum Regarding Athletic Fee Increase

The Athletic Department and the University Administration are proposing an increase to the current $30.00 a semester, athletic fee that full-time students pay. The extra funds would be utilized to ensure Departmental fiscal stability. The Athletic Department and the University Administration propose raising the $30.00 fee to $45.00 a semester for 2004-2005, and finally $60.00 a semester for 2005-2006. The $60.00 a semester athletic fee would become permanent.

YES – I support the proposed athletic fee increase as explained above.

NO – I do not support the proposed athletic fee as explained above.

Gale Price, ASUM Vice President

Roll call vote 18 y 1 n
Referendum Regarding the Student Athletic Fee

The Athletics Department and the University Administration are proposing an increase to the student athletic fee. Currently, full-time students pay an athletic fee of $30.00 per semester. University Administration is proposing a $5.00 per semester increase to the full-time student athletic fee for the next four (4) years. Under the proposal, students would also receive an additional number of football stadium seats, bringing the total to 3660 student seats. A $5.00 user charge would be attached to each student football ticket, and guest pass prices would remain the same (Currently, $10.00 per guest pass). Additionally, any student taking between one (1) and three (3) credits would be charged a new fee of $10.00 per semester, any student taking between four (4) credits and six (6) credits would be charged a new fee of $20.00 per semester. Students attending the College of Technology would not be affected by these proposed fee increases.

YES - I support the proposed full-time student athletic fee increase, creation of a user charge for tickets at football games, and new fees as explained above.

NO - I do not support the proposed full-time student athletic fee increase, creation of a user charge for tickets at football games, and new fees as explained above.

Passed 04/21/04
Resolution to Amend By-Laws, Article IV, Section 12 of the ASUM By-Laws

Whereas, in section 12.A, one quarter (5) of the Senate is required to serve on the College of Technology Affairs Committee,

Whereas, it has been increasingly difficult to procure the set number of Senators,

Whereas, it is also difficult for a non-COT student Senator to chair a committee that deals with the two COT campuses,

Whereas, A COT student knows better the issues, thoughts, and feelings of students at the COT campuses,

Therefore Let it be Resolved that the Senate of the Associated Students of the University of Montana amends By-Laws, Article IV, Section 12.A and B. to read:

Section 12. College of Technology Affairs Committee (COT):
A. The COT Affairs Committee shall be composed of nine (9) members, of which three (3) shall be members of the Senate and the rest students-at-large from the COT. Any student may be a non-voting advisor member of the Committee.
B. A COT student-at-large or an ASUM COT Senator shall chair the committee.
