It's Been 61 Years . . .

It's been 61 years since that first 1904 Interscholastic Meet at Montana State University when 19 schools and 77 track and field contestants sought honors on the field behind Main Hall.

No Dornblaser Field existed then.

Six or seven hundred spectators crowded into the stands in 1904 and watched those 77 high school athletes run, jump, and throw. The remainder stood around the outside of the track or perched themselves on the side of Mount Sentinel.

Few houses were in the University district. A board walk ran from the south end of the Higgins Street Bridge directly to the campus. Main Hall dominated the University scene as it does today. Several other buildings surrounded Main Hall and the structures stood out conspicuously on the bare prairie with few trees or houses nearby.

All Missoula business establishments were closed for the final day of Interscholastic, and the entire town turned out to observe the event.

Small Schools Do Well

Since there were only 19 Montana high schools entered in Interscholastic, no competitive classes had been organized. The boys from a town of 200 competed against those from a much larger community. One lad named Wiles from Virginia City, which was then credited with fewer than 30 souls, entered the mile and two-mile races and won them both.

The student University newspaper, the *Kaimin*, reported the events dutifully in the popular journalistic style of yesteryear. More concerned with the doings of several literary societies than news and sports, it did report a tale of how one group of contestants was treated to an automobile

ride around the Oval. Another group received a pleasant jaunt four or five miles into the wilds of Montana to Fort Missoula.

Interesting Contestants

Those early contestants were an interesting lot. Most track and field competitors had never seen or worn spiked shoes. Some took their mother's shears to an old pair of pants and made knee-length shots. Shirts were colorful and ranged from dad's old undershirt to a turtle-neck sweater that may or may not have come off at race time. Pompadours were popular with athletes who used the extra shock of hair as a football helmet in the fall.

The 1904 Interscholastic had three events that have not been included in Interscholastic for some years: the hammer throw, 50-yard dash, and two-mile run.

The hammer throw was eliminated in 1915 and replaced with the javelin in 1916 because the sturdy young lads who heaved the lead ball on the end of the steel chain often had poor aim. Frequently it would head toward groups of spectators or participants, far from its intended target.

The two-mile race was dropped in 1907 because the racers often ended the contest in total exhaustion. They literally ran their hearts out and endangered their health.

The 50-yard dash was discontinued in 1928. The contestants often finished the race in a dead heat with many claiming victory, perhaps justly.

It might seem that an event which began in 1904 would be old hat 61 years later. But the urge of competition and the rest of the interest and excitement generated by crowds and new records has continued to grow rather than diminish. It's a new meet every time.

Miscellaneous Interscholastic Records

Event	Name—Home Town	Year	Time Distance
50-yd. Dash	Lloyd Denny, Kalispell	1907	5.4
	George Phelps, Butte	1914	5.4
	Howard Hill, Stevensville	1923	5.4
	Note: The 50-yd. Dash was discontinued following the May Meet—1928.

ROY ROBINSON

1964 HIGH-POINT MEN

These athletes were the best in their respective classes last year. Glasgow's Robinson set an Interscholastic Record in the low hurdles and also won the 100- and 220-yard dashes and was on the

winning relay team for 19½ points in Class A.

Hawke of Butte scored most points in Class AA with 13. He bettered own records in shot put and discus and picked up a fifth in the javelin.

Polson's Gipe was high man in Class B for the second year with 14½ points. He was first in high hurdles, second in shot, third in lows and ran on winning relay team.

McPhail of Hysham counted 16 points to lead Class C but Medicine Lake won team trophy. McPhail won 100 and 220 and was second in low hurdles.

All but Gipe return to this year's Interscholastic.

MISSOULA'S TED BROWN

Speedster Ted Brown led Missoula Spartans to Class AA championship. Brown won both 100- and 220-yard dashes.

The best distance men in Class A were Glasgow's Don Reddick and Roy Taylor. Reddick won both 880 and mile last year. Taylor won both in 1963.

Vern Martinez, Billings Senior, is shown taking the baton from teammate Gary Wilcox (inside) and Broncs are off to set an Interscholastic Record of 1:30.7. Great Falls (middle) kept fast company and favored Missoula (not shown) lost out on poor exchange.

MUSICAL CHAIRS IN THE SKY typified last year's pole vaulting. It all started Friday as Andy Steben of Bozeman (Class A) set the Interscholastic Record at 13' 6½". Steben's reign was short-lived because Helena's John Peterson (Class A) cleared 13' 7" Saturday to set a new standard. Then, when it appeared there was no one left, Pat Brooke of Missoula Loyola narrowly missed at 13' 8" in an attempt to break the mark for a third time at one meet. Brooke settled for 13' 3" which was a Class B record.

QUEEN FINALISTS

Friday evening, May 21, near Main Hall, one of the 12 pretty young ladies on these two pages will be crowned queen of the 1965 Interscholastic, the first in the history of the 61-year old meet.

The 12 finalists, three each from Classes AA, A, B and C, were selected from more than 50 candidates two weeks ago by MSU's Traditions Board. Judging was based on appearance and participation in high school activities.

The Queen and her two attendants will present awards to winners in each event at Saturday's track and field meet.

The first queen contest is sponsored by the Interscholastic Committee, which pays the candidates' expenses at MSU. Co-chairmen of the Queen event are two University students, Diane Leach and Jack Russell.

Finalists are Joan Bruckner, Butte; Margaret Lynn Ely, Fairfield; Maude Gallup, St. Ignatius; Lynne Hileman, Whitefish; Marcia Jensen, Bozeman; Susan Martinsen, Hardin; Gloria McCellan, Joplin; Shary Mogstad, Geraldine; Jane Nordlund, Billings Senior; Ronda Planichak, Red Lodge; Patricia Schulz, Sacred Heart Academy of Missoula, and Barbara Jean Spoonemore, Billings West.

Joan Bruckner is a Girls' State alternate at Butte. She is a member of student council and was recently chosen Senior Coronation Queen. She is a member of pep, spiz and ski clubs.

Margaret Ely sang in the chorus and was member of Caroleers and senior girls' sextet at Fairfield. She also is a cheerleader and worked on the staff of the school paper.

There weren't many activities that missed the attention of **Maude Gallup** at St. Ignatius. She was a cheerleader, drum majorette, class vice president, junior prom queen and student council vice president.

Miss Gallup is an alternate to Girls' State and has been a member of speech, library, yearbook, dance band, plays and twirling clubs. President of National Honor Society for two years, she won second place in an Elks Scholarship. She attended the NSF Summer Institute last year.

Lynne Hileman has been Whitefish Boat Regatta Queen and second runner-up to Junior Miss while in high school. A cheerleader and Girls' State alternate, she also is a member of Quill and Scroll, annual staff, student council, pep club and Rainbow.

Marcia Jensen was a cheerleader four times at Bozeman. She joined chorus, pep club, tumbling, news staff, French Club, FHA and FTA. Miss Jensen also sang in multiple trio and girls' sextet as well as chorus. She was a homecoming queen attendant.

Homecoming Queen and DeMolay Sweetheart were part of **Susan Martinsen's** highlights while at Hardin High. She also was a cheerleader, student council vice president, FTA secretary and GAA vice president.

Miss Martinsen belongs to the National Honor Society, pep club and was first attendant to prom queen.

INTERSCHOLASTIC—1965

Gloria McCellan was the outstanding cheerleader last year at Joplin and sang in both the high school chorus and church choir. She belongs to Luther League, pep club, school paper, band and pep band.

Another Class C school entrant, **Shary Mogstad** of Geraldine, was a cheerleader and Princess of the Winter Ball. She is assistant editor of the yearbook, president of speech and drama club, and had the leading part in the class play. She belongs to foreign language club and is secretary-treasurer of the MYF sub-district.

Jane Nordlund from Billings Senior lists pep club, National Honor Society and senior counselor among her accomplishments. She also is secretary-treasurer of student council, circulation manager of the school paper, member of Quill and Scroll, and past president of the French club.

Miss Nordlund is on the varsity tennis team and is participating in this year's Interscholastic.

Ronda Planichek of Red Lodge belongs to pep club, Rainbow, band, chorus, paper staff and annual club. She also is vice-president of the girls' athletic association and was a cheerleader.

Patricia Schulz, Sacred Heart Academy, is active in pep, sodality, art, sewing and dancing clubs. She was chairman of decorations at senior prom, winner of the senior class vocation essay contest and won the school fund raising drive.

Miss Schulz works part-time at St. Patrick's hospital as a pharmacy aide.

Barbara Jean Spoonemore was a cheerleader and student council representative at Billings West High School. She belongs to Kadence Club, pep club and Young Life.

Miss Spoonemore was 1965 basketball queen and Miss Congeniality in the current Miss Billings Contest.

MSU—A Leading Pioneer in Education*

DR. ROBERT JOHNS
MSU President

Founded in Indian days when tepees stood 'round its Main of Mt. Sentinel . . . MSU today is one of the West's leading pioneers of education.

Consisting of a Graduate School, College of Arts and Sciences, Fine Arts, Schools of Law, Journalism, Forestry, Business Administration, Education, Pharmacy and an Affiliated School of Religion, there is also a University Biological Station on Flathead Lake.

Tree-shaded walks and lawns are features of an uncommonly attractive campus. Close at hand are the magnificent timberlands and mountains of western Montana. There are hundreds of scenic wonders within an hour or two of driving from the campus.

Today's high school graduate is almost sure to find his chosen field at MSU. Degrees are offered in many areas.

Included in the long list are Anthropology, Art, Biological Sciences, Botany, Business Administration, Chemistry, Drama, Economics, Education, English, Foreign Languages, Forestry, General Courses, Geography, Geology, Health and Physical Education, History, Home Economics, Journalism, Law, Liberal Arts, Library Science and Mathematics.

There are also Medical Technology, Microbiology, Music, Pharmacy, Philosophy, Physical Sciences, Physics, Political Science, Pre-Medical Sciences, Psychology, Radio and Television, Religion, Reserve Officer Training Corps, Secretarial-Home Arts, Social Welfare, Sociology, Speech, Speech Pathology and Audiology, Wildlife Technology and Zoology.

An excellent faculty, which boasts a high percentage of Ph.D.'s, and wonderful facilities make MSU the school you will be proud to become a part of.

Browse around the campus this weekend and visit with the students. They'll tell you why MSU was their choice.

*Note—Effective July 1, MSU becomes the University of Montana.

These Former Interscholastic Champions Now Attend Montana University ...

DON SCHMITZ, Missoula, right, talks with teammate GREG HANSON at last year's Interscholastic. Schmitz is co-holder of high hurdles record and now runs for the Grizzlies. Hanson didn't win an event at the Interscholastic but the former Spartan is slated for considerable action in both varsity football and basketball as a sophomore next season.

DOUG BROWN, Red Lodge, is MSU's all-American distance runner. The Interscholastic record holder in the mile, Brown has since become one of the nation's best runners. Last year he finished second in the NCAA 10,000 meters championship and later placed fourth in the U. S. Olympic trials, missing a berth on the Olympic squad by one position. At the end of the 1964 season, Brown was listed among the top four collegians in five events. Brown's 1965 accomplishments include fourth place in NCAA Indoor Two-mile and first in the 5,000 meters at the West Coast Relays in Fresno, Calif. This weekend he is competing in the Big Sky Conference championships at Pocatello, Idaho.

Interscholastic Winners at MSU . . .

FRED FRIESZ, Billings West, shown here winning the Class AA mile run last year ahead of BOB GIBSON, Missoula. Gibson beat Friesz in Class AA 880-yard run, an event he won twice. Both are Grizzlies now. Friesz finished third in the Big Sky Conference cross-country championships last fall and has defeated some of the best runners in the Northwest this spring.

KEN JONES, Missoula (center)
co-holder High Hurdles record.

Grizzly Golfers—Best in Montana and Big Sky

The Montana Grizzly golf team won the Big Sky title last year and at press time for the 1965 Interscholastic Program, was favored to repeat. All of coach Ed Chinske's squad are Montanans, and four were INTERSCHOLASTIC CHAMPIONS. Pictured in the front row, left to right, are Jim Roberts, Billings; Jim Wallinder, Missoula; Gary Koprivica, Butte, and Harland Peschel, Whitefish. In the back row are John Warren, Butte; Don Waller, Cut Bank; Jack Marcure, Kalispell, and coach Ed Chinske. Wallinder won the Interscholastic crown in 1959, Roberts in 1960, Peschel, 1961, and Koprivica, 1963. George Garity, Whitefish, the 1962 winner, also attends MSU. Bill Rapp, Missoula, 1964 winner, still is competing in the high school classic. The Grizzlies defeated some of the best teams in the Northwest this season, including Utah, Utah State, Oregon and all of the Big Sky schools.

LARRY ODDY, Miles City, is MSU's top pitcher. He won Class A high jump and broad jump in 1963. Oddy was ranked seventh in the nation among strikeout artists May 1. The hard throwing right-hander has fanned 59 batters in 40 innings.

DENNIS SKINNER, Malta, looks to be one of the Grizzlies' best running backs in football next fall. Skinner won the Class B broad jump in 1963 and placed third last year. He placed in the javelin three times including first in 1964. He also was fifth in both the 100-yard dash and shot put last season.
