NATIONAL ANTHEM The Star Spangled Banner

<p>Oh, say! can you see by the dawn's early light, What so proudly we hail'd at the twilight's last gleaming, Whose broad stripes and bright stars, thro' the perilous fight, O'er the ramparts we watch'd, were so gallantly streaming? And the rockets' red glare, the bombs bursting in air, Gave proof thro' the night that our flag was still there. Oh, say, does that Star Spangled Ban- ner yet wave O'er the land of the free and the home of the brave?</p>	<p>Oh, thus be it ever when freemen shall stand Between their lov'd homes and the war's desolation! Blest with vict'ry and peace, may the heav'n rescued land Praise the Pow'r that hath made and preserved us a nation! Then conquer we must, when our cause it is just, And this be our motto, "In God is our trust." And the Star Spangled Banner in tri- umph shall wave O'er the land of the free and the home of the brave!</p>
