PUBH 511 History and Theory of Epidemiology I
Fall 2013

Instructors: Craig A. Molgaard, Ph.D., M.P.H.
Professor and Chair
School of Public and Community Health Sciences
College of Health Professions and Biomedical Sciences
The University of Montana
Skaggs 302
406-243-4445 • craig.molgaard@umontana.edu

Julie Stevens, M.P.H.
Adjunct Faculty
School of Public and Community Health Sciences
Skaggs 301
406-243-2571 • julie.stevens@umontana.edu

Format: Online seminar with Moodle 2. Emphasis on discussion board. Course procedures and expectations are those normally used in the online MPH program at the University of Montana. If questions arise contact Julie Stevens, julie.stevens@umontana.edu, or Tracy Jones at tracy.jones@mso.umt.edu or (406)243-2571.

For purposes of assignments and class activities, the week starts on Monday 12:01 a.m. and ends on Sunday at Midnight. Dr. Molgaard and Ms. Stevens will be available via email for all students. If you wish to speak with Dr. Molgaard or Ms. Stevens by telephone or in person, the easiest thing to do is to contact them by email and arrange a time to meet. They will make every attempt to reply to your email within twenty-four hours during weekdays.

Moodle Help: UMOnline has made available an interactive tutorial for using Moodle 2 as a student. UMOnline 101 can be found at: https://umonline.umrooms.net/course/view.php?id=3927 Additional Moodle resources can be found at: http://umonline.umt.edu/Moodle%20Tip%20Sheets/tipsheetandvideosstudents.aspx.

Required Texts:

Other readings as assigned will be available online via the Moodle 2 classroom.

Course Description: This course covers the development and evolution of epidemiology, the basic science of public health. Major schools of epidemiology from the Roman-Greek, Italian and English traditions will be compared and contrasted.

Program Public Health Competencies Addressed in Course:*
1. Prepare Community Data for Public Health Analyses and Assessments
2. Contribute to Public Health Program and Policy Development
3. Communicate in Public Health Settings
4. Practice Public Health with People from Diverse Populations
5. Collaborate with the Community in the Practice of Public Health
6. Base Public Health Practice on Scientific Evidence
7. Participate in Financial Planning and Management of Public Health Units
8. Exercise Public Health Leadership and Systems Thinking
9. Respond to Public Health Issues in Rural Settings
10. Uses Global Insight in Responding to Local Public Health Issues

* For a listing of learning objectives corresponding to each competency see http://publichealth.health.umt.edu/sites/publichealth.health.umt.edu/files/documents/CompetenciesStudentVersion.pdf

Online Format: Weekly participation in the discussion board will be based on the assigned readings. There will be two exams given throughout the semester, one at midterm and one final.

Course Evaluation: Weekly postings to the discussion board 50%
Midterm Exam 25%
Final Exam 25%

Barry. The Great Influenza: The Story of the Deadliest Pandemic in
History
Parts I-IV

Week 15
Barry. The Great Influenza: The Story of the Deadliest Pandemic in
History
Parts V-X

VII. Summary, Conclusions, Final Exam: Week 16

Plagiarism: All students must practice academic honesty. Academic misconduct is subject to an
academic penalty by the course instructor and/or a disciplinary sanction by the University. All
students need to be familiar with the Student Conduct Code. The Code is available for review
online at http://life.umt.edu/vpsa/student_conduct.php.
Plagiarism is the representing of another's work as one's own. It is a particularly intolerable
offense in the academic community and is strictly forbidden. Students who plagiarize may fail the
course and may be remanded to Academic Court for possible suspension or expulsion. (See UM
Student Conduct Code).

Students must always be very careful to acknowledge any kind of borrowing that is included in
their work. This means not only borrowed wording but also ideas. Acknowledgment of whatever
is not one's own original work is the proper and honest use of sources. Failure to acknowledge
whatever is not one's own original work is plagiarism. (Source: http://libguides.lib.umt.edu/plagiarism)

Accommodation: In accordance with University of Montana’s mission to provide equal
educational opportunities for all students, necessary accommodations for students with
disabilities will be made whenever possible. If you require accommodations, please provide
written information regarding your disability from the Disability Services as soon as possible so
that accommodations can be made.
