DISCUSSION:

The meeting was called to order by Chairman Champoux. He handed out two articles, one on Equal Education Opportunity and one on what kind of financing the private schools are getting.

The chairman suggested we adopt a rule that we question a witness immediately after his testimony, but not during it. The Committee was in favor of this.

The revised agenda was given out. The chairman went through this as to when the meetings will be held. Mr. Conover moved that we accept this agenda. Motion carried.

Next, methods of deliberation were discussed. It was decided to leave this up to the chairman as to morning or nights as it will have to be scheduled day by day.

It was suggested that any member of the committee desiring to draft a proposal do so. Mr. Burkhardt thought that the present provision should be gone through carefully.

The chairman also reminded the committee members that all questions after testimony be directed to him and then to the person testifying.

The meeting was then adjourned.
