This Syllabus is brought to you for free and open access by the Course Syllabi at ScholarWorks at University of Montana. It has been accepted for inclusion in Syllabi by an authorized administrator of ScholarWorks at University of Montana. For more information, please contact scholarworks@mso.umt.edu.
Course Syllabus Fall Semester 2005

Course: Music 361, Section 1
Course Name: Form & Analysis
Number of Credits: 2 credits
Prerequisites: Successful completion of Music 212, Music 238, Music and piano functional
Corequisites: None

Texts Required: Form in Tonal Music, 2nd Edition
Douglass M. Green

Bach, 371 Harmonized Chorales

Anthology for Musical Analysis, 6th Edition
Charles Burkhart

Class Structure: Lecture with laboratory experience in advanced music theory, with special emphasis regarding form and analysis, part writing and a historical perspective of the history of music theory from common practice period through 20th century; detailed continuation of form and analysis presented in Music 212 (Theory IV); class limit 15.

Student Objectives: To prepare and train music candidates in the upper divisional level for graduate level theory courses via course content with special emphasis of historical and formal analysis of selected compositions from baroque period to present. The overall objective is to enhance the student’s technical understanding and historical origins on selected composers and their compositions.

Assessment: Grading is based on class attendance and participation; with extensive major exams consisting of formal and harmonic analysis; many of these exams regarding specific forms are administered on a weekly and/or biweekly basis with traditional letter grading; only 3 unexcused absences allowed before lowering of grade; all classes start immediately at 10 after the hour.
