OTHER BANDS AT UM

UM PEP BAND
An integral part of the UM Athletic Band program is the UM Pep Band. With a membership selected from the active members of the Grizzly Marching Band, this exciting group of brass, saxophone and percussion musicians has become a crowd favorite at all UM Basketball games. Auditions for interested members will be held early in the fall semester and rehearsals will be scheduled in preparation for the beginning of the season. Members of the Pep Band will receive a stipend for every game played – amount to be determined by seniority and number of games played. With a repertoire ranging from the latest pop tunes to the standard big band and funk charts, this group has become the heart of the excitement and popularity seen at all UM athletic events.

SYMPHONIC WIND ENSEMBLE
The Symphonic Wind Ensemble, under the direction of Dr. Steve Bolstad, is the premier wind and percussion concert ensemble at UM. The group has been featured at the CBDNA Northwest Clinic, Montana Music Educator’s State Conference, Northwest MENC Convention and its performances have been acclaimed by many guests artists and conductors. Auditions for all interested individuals – regardless of major or instrument – will be held at the beginning of each semester. Please contact Dr. Bolstad in the Department of Music for more information.

UM CONCERT BAND
The UM Concert Band is open to all interested musicians on campus – regardless of major or instrument. There are no auditions necessary for membership. This ensemble provides an excellent opportunity for all musicians to participate in a concert ensemble and to perform both traditional and contemporary band repertoire. The Concert Band performs one concert during the fall semester and two during the spring semester.

UM JAZZ BAND I, II & III
The Jazz program at UM includes three Jazz Bands and several small jazz combos, open to all interested students by audition. In addition to the semester concerts, the internationally recognized Buddy De Franco Jazz Festival features world-renowned guest artists as soloists and clinicians each year. Please contact Professor Lance Boyd in the Music Department for more information.

CHAMBER ENSEMBLES
In addition to large ensemble opportunities, musicians can participate in the many specialty wind/percussion ensembles on campus: Flute Choir, Clarinet Choir, Trumpet Ensemble, Trombone Choir, Percussion Ensemble and the Islander’s Steel Drum Band. For more information, contact the appropriate studio professors in the Department of Music.
OTHER ENSEMBLES
Whether a music major or minor or not, the UM student is invited to participate in performing ensembles offered by the Department of Music. Although some groups may not require an audition for membership, those with such criteria offer tryouts at the beginning of each semester. In addition to the band program, the department offers opportunities for instrumentalists and vocalists alike. Vocalists may participate in one of the five choral ensembles: University Choir, Chamber Chorale, Men’s Choir, Women’s Chorus and the “New Jubes.” The University Orchestra is open to wind, percussion and string musicians. For more information about these opportunities, contact the Department of Music.

SCHOLARSHIPS AND SCHEDULING
The University of Montana gratefully recognizes the extra demands of time and effort placed upon those students who participate in our Marching Band program. Although only a modest amount of academic credit is granted for membership, students are offered a number of incentives as an indication of both acknowledgement and appreciation.

CLASS CREDIT AND REGISTRATION
All members of the Grizzly Marching Band must register for MUS 104, section 1, for one academic credit and letter grade. Upper-division credit may be earned by scheduling for MUS 304, section 1. Students who wish may register for supplemental credit by signing up for MUS 196, Section 3 for regular credit or MUS 496, Section 3 for upper division credit. This special category allows students to gain additional 1–3 credits for their participation. Permission for this additional credit(s) must be obtained from the director(s) before registering.

REHEARSALS

Regular rehearsals will be held Mondays, Wednesdays and Fridays from 4:10–5:40 PM, according to the pre-determined schedule that you will find on the final pages of this handbook. Every attempt will be made to follow this plan as closely as possible. However, unexpected preparation needs and inclement weather conditions may dictate changes. Any adjustment will be announced as far ahead as possible.

** Please visit the GMB Website regularly or check the door of Room 3 in the Music Building for daily schedule updates.

Daily rehearsals will be located on the “River Bowl Field” (located on the north side of Campus Drive, across from the Fine Arts Building, adjacent to the football practice field). When Washington–Grizzly Stadium is available, rehearsals will be held or moved to that location. All music rehearsals will be in Room 1 (Band Room) of the Music Building.

PREPARATION
In addition to being on time and prepared to begin each rehearsal and performance, the following guidelines must be adhered to in order to ensure effective and efficient rehearsals:

- Have instrument and all necessary parts
- Have your flip folder and drill books with you at all times
- Have your music organized in your flip folder for easy access
- Proper foot wear must be warn at all times – sandals, flip-flops, etc. are not permitted
- Proper attire must be worn. ALL REHEARSALS WILL BE HELD AS SCHEDULED, RAIN or SHINE! Be prepared for all weather conditions.
- Take care of any attendance issues with the graduate assistant prior to the beginning of each meeting
- Have your music and marching positions learned and appropriately prepared for each rehearsal. ALL HALF TIME SHOW MUSIC MUST BE MEMORIZED!
- Mark your individual positions on your drill sheets and mark your drill moves/cunts in your music. THIS IS ABSOLUTELY MANDATORY!
Flip-folders may be used for purposes of individual or collective rehearsal and music memorization outside of rehearsal time since the music for our half-time performances will be memorized. Playing members are expected to practice challenging passages on their own time in order to make the most efficient use of rehearsal time.

SECTIONALS
All sections are expected to hold regular sectionals outside of class time in order to prepare music for performances. The appointed musical section leaders and/or staff members are responsible for scheduling such meetings when the need arises. In such instances, cooperation and attendance is required. Members participating in the Drum Line are required to attend weekly sectionals due to the special needs of these sections.

ATTENDANCE POLICY

The most important aspect behind the success of the Grizzly Marching Band is the expectation of 100% attendance by all members. We are aware that problems and emergencies do arise at times which may warrant an excused absence – life happens! Excused absences must be approved by the directors at least 24 hours in advance. An attendance form must be completed to make such a request. Contact the Graduate Assistant in charge of attendance, at 243-4355, to obtain a form and to address all attendance issues.

The criteria for excused absences are:
1. Any problem previously cleared with the directors
2. Illness, verified by a doctor's note
3. Family emergency
4. All requests for an excused absence MUST be submitted in writing to the Graduate Assistant in charge of attendance. Failure to turn in an attendance form will result in an unexcused absence.

PERFORMANCE ATTENDANCE
With the exception of highly unusual circumstances, NO ABSENCES FROM PERFORMANCES WILL BE ALLOWED. In such rare instances that an absence becomes absolutely necessary, it shall be the student's responsibility to contact the Graduate Assistant in charge of attendance. All attendance issues MUST be addressed in advance. Failure to address an absence from performance will result in an automatic failing grade for the semester.

TARDIES
TARDINESS TO REHEARSALS OR PERFORMANCES WILL NOT BE TOLERATED! A tardy shall be defined as any instance in which a person arrives after a designated rehearsal time and whose excuse is deemed unacceptable. ON TIME does not mean arriving at the appointed time, it means arriving early enough to be in your spot with your instrument ready by the appointed time!
**COURSE CONFLICTS**

If you have a regular schedule conflict that may result in tardiness to rehearsals, you may request permission for a standing excuse from the director(s). Conflicts such as class conflicts, travel time/distance or class location may be considered. A COURSE CONFLICT FORM must be completed within the first two weeks of the fall semester in order for consideration. The director(s) will consider each conflict on an individual basis and determine a solution.

**GRADING POLICY**

Your grade for the semester will be a reflection of your attendance, participation and overall contribution as a member of the *Grizzly Marching Band*. **Everyone starts with an A!** In accordance with the Attendance, Uniform and Equipment policies, the following guidelines will apply:

1. Show music must be memorized for performance. Your grade will be lowered ½ letter for each show not memorized. (We do 3 shows + pre-game)

2. Each unexcused absence from rehearsal will lower your grade by ½ letter grade and a $50 fine to your scholarship will be assessed

3. Two unexcused tardies will equal one absence

4. Unexcused absences or tardies to mandatory sectionals will be treated the same as an unexcused absence/tardy to a regular rehearsal

5. Each unexcused tardy to a dress rehearsal will lower your grade by 1 letter grades and a $50 fine will be assessed to your scholarship

6. An unexcused absence from a performance or Game Day Dress Rehearsal will result in an automatic grade of an F and loss of scholarship

**EQUIPMENT AND SUPPLIES**

**MUSIC AND FLIP FOLDERS**

Each playing member will be assigned a specific plastic flip-folder that will include music to be performed as the season progresses. **It is the responsibility of the individual player to have their music with them at all times.** All music should remain in the folder in order received to assist with finding tunes quickly during the fast-paced games.

During the marching season, additional music will be distributed by the Music Librarian. If you are in need of music, contact this staff member immediately. All flip folders and music will be returned at the conclusion of the season. There is no charge for replacement of individual parts; however, **the loss of an entire flip-folder will result in a fine of $15**.
UNIVERSITY-OWNED INSTRUMENTS
The UM Grizzly Marching Band provides a variety of school-owned instruments to those musicians in need. The following instruments will be provided by the band: Sousaphones, Baritones, Marching French Horns, Piccolos, and Percussion. Limited numbers of other instruments may be available for use. Mouthpieces are provided with brass and woodwind instruments. Additional supplies such as reeds, oil, grease, etc. will be purchased at the expense of the individual.

The Graduate Assistant and Equipment Manager are in charge of checking out all university-owned wind instruments and equipment. The Drum Line coordinator will deal with the needs of the percussionists. Go directly to them with all issues regarding instruments and equipment.

INSTRUMENT CARE AND MAINTENANCE
All members of the UM Grizzly Marching Band are expected to take good care of their instruments and equipment, whether they are personal property or owned by the university. Any repairs are expected to be made at the expense of the instrument owner or borrower (this includes university-owned instruments). When possible, staff members will assist in making minor, on-the-spot repairs and adjustments.

In addition, any excessive damage done to university instruments will be assessed and deducted from the scholarship of the member responsible for that instrument – per the Instrument Loan Contract.

STORAGE AND LOCKERS
The university-owned Sousaphones and Percussion equipment are to be stored in their assigned area(s) in Music Building Room #4. Smaller university-owned instruments may be kept in their cases in the designated areas in Music Building Room #2. Storage space for in Room #2 may be available to those who request it, by seeing the Graduate Assistant. Depending upon availability, lockers in the Music Building may be reserved by seeing one of the administrative assistants in the Music Department Office, Room 101, on the main floor. Music building lockers must be vacated at the end of band camp. If you would like a locker for the school year you may check one out through the music office according to their schedule and procedures. Privately-owned instruments may be stored in the individual’s living quarters, in the storage areas provided in Room 2, or in a student locker in the Music Building (when available). See information above for specific details.

EQUIPMENT FINES
Fines for the damage to or loss of all university owned equipment (instruments, flip-folders, lyres, uniform, etc.) will be assessed to the scholarship of the band member responsible for said equipment. All fines will be assessed at the conclusion of the marching season at the time of equipment return. (See fine list above)

FUNDAMENTALS AND TERMINOLOGY

FUNDAMENTALS

• Yard lines are eight (8) 22-½ inch steps apart.
• Collegiate hash-marks are thirty-two (32) 22 ½ steps from the sideline and twenty (20) 22 ½ inch steps apart.
• Always step off with your left foot. Always!
• Always maintain an equal interval between you and the persons on either side.
• Follow the instructions of your section leaders and drum majors. Remain quiet and in your position when they are giving instructions. When learning drill, always remain in your spot until given further instructions.
• Mark your individual positions on your drill sheets and mark your drill moves/counts in your music. THIS IS ABSOLUTELY MANDATORY!
• Have your drill sheets, flip-folders and a pencil with you at all rehearsals.

MARCHING TERMINOLOGY

Make note of the appropriate abbreviation (indicated under the term) to be used when transferring drill moves onto your music.

1. Attention
   Chin Up – Shoulders Back – Eyes Front (on the horizon) – Stomach In – Chest Out – Heels Together – Toes together – Instrument held in both hands in a position in front of and parallel to the body with elbows up and out – NO MOVING OR TALKING WHATSOEVER!!!! (Each instrument will receive specific instructions as to positions.)

2. Parade Rest
   Move the left foot out to shoulder width, placing fisted left hand in the small of the back with thumb up. Instrument in right hand is relaxed and extended, pointing down the right leg.

3. Glide Step
   The marching style used will be a “corps-style glide step.” The step consists of a heel-to-toe rolling action placing the impact on the outside of the foot as it rolls forward. Body posture consists of holding back the shoulders and leaning the upper body back slightly. The arms should never sway freely. The basic stride length is the traditional 22 ½ inch step (8 steps to 5 yards) but will change according to the drill. When moving across the field, the ball of the right foot hits the yard line on count “8” of an 8-count series.

4. Forward March
   Marching with “glide step” in the traditional 22–½ inch step. From Mark Time (MT), the first step forward is preceded by a locking of the right knee in a straight position. The left foot is extended outward, also with a straight leg, with toe up in order to land on the heel (Lock/Step).

5. Mark Time
   Mark Time is a form of stationary marching. Low MT will predominate in the marching style. The toes remain on the ground, and the heels are lifted about 3” off the ground. Make sure the heels only “touch” the ground. No pounding motion; Upper body motionless.
6. **Halt**  Command used to indicate the stopping of forward motion or marking time. After the command is given, the right foot stops on count 8 and the left foot closes (either meets the left, if marching, or meets the ground if marking time) on count 1.

7. **4-Count Turn**  This 4-count movement may be executed either to the left or to the right, according to instructions, as the band member marks time in place. The smooth, evenly executed turn will terminate in a new direction on the fourth count.

8. **Gate Turn**  A “gate swing” turn is used in parade marching. The inside person will take tiny steps and the outside person will take large steps (within a squad) while those in between adjust their steps to maintain a straight line.

9. **Flank**  This is executed as a sudden right or left turn while marching. For a left flank, plant the right foot in a 45-degree angle with toe pointing left. The body then rotates to the left and the left footsteps off in the new direction. For a right flank, the right foot is planted in a 45-degree angle to the right and the body rotates to the right before the left footsteps off in the new direction.

10. **Slide**  A slide occurs when the upper body continues to face forward (usually toward the audience) while the lower body changes direction. The lower body executes the turn in the same manner as the flank turn. The main difference between the slide and a flank turn is that the upper body continues to face forward along with proper instrument carriage.

11. **Follow the Leader**  This term will be used to indicate a desired movement in which one person leads and the others follow using the same or similar route. The interval between participants must remain both uniform and consistent.

12. **Float**  This refers to the most common type of movement from drill sets. Each individual will take an adjusted step size to get from one set to another. For example, within a given shape on the field, one person may travel 10 yards with sixteen regular steps (8–to–5) while another may only have to move 5 yards in the same amount of counts/steps and would therefore take smaller steps.

13. **8-to-5**  This is the most common step size used when marching. This term refers to taking 8 steps to every 5 yards. The traditional 22 ½ inch step. Smaller step sizes such as 12–to–5 refer to taking 12 steps to every 5 yards. Larder step sizes such as 6–to–5 would refer to 6 steps between each yard line.

14. **Adjusted Step**  This term refers to each individual taking a different step size to get from one drill set to another. Some may take a larger step, others smaller steps, depending on the distance to travel.
Up with Montana, boys, down with the foe.
Old Montana’s out for a victory;
She’ll shoot her backs around the foe-men’s line;
A hot time is coming now, oh, brother mine.

Up with Montana, boys, down with the foe.
Good old Grizzly’ll triumph today;
And the squeal of the pig will float on the air,
From the tummy of the Grizzly Bear!

Montana, Montana, Glory of the West;
Of all the states from coast to coast,
You’re easily the best.
Montana, Montana, Where skies are always blue;
M-O-N-T-A-N-A
Montana, we love you!
