ATTENDANCE: You are expected to come to class. You should not expect to get all that you need to succeed in this class from only reading the text. Tests will partially cover specific material contained in the text, but will in large part be based upon discussions and elaboration in class. I expect you to be able to apply text material and information discussed in class to real-life case studies and situations. Tests may not be made up unless prior arrangements are made. You must take the makeup test the day you return to school. Let me stress that there are no exceptions to this – if there’s a problem, call/e-mail me a message or you have lost the chance to take that particular exam.
