Exhibit A

SB33-01/02

Resolution to Endorse an Increase in the Curry Health Center Fee

Whereas, the health center fee funds the operation and range of service offered by Curry Health Center, including medical, dental, counseling, wellness, health enhancement, substance abuse, and sexual assault recovery services;

Whereas, a \$4.00 fee increase is necessary to fund personnel expenses (as determined by the state pay plan), employee insurance benefit cost increases as mandated by contract negotiations and operational expenses including utilities, supplies, maintenance and repairs;

Therefore let it be resolved, that The Associated Students of the University of Montana endorse an increase of the Clinical Health Fee from the current \$134.00 per semester to \$138.00 per Fall/Spring semesters.
