Public Comment

*Geoff Marietta expressed his disappointment in Senate's failure to pass the decal increase resolution of last week.

President's Report

- a. President Dennison shared the current status of University system general fund budget requests and fielded questions from students on various University matters.
The Chair recognized Bock and Hankinson.
- b. A sign was posted at the Park and Ride location berating Senate for not passing the decal resolution last week and gave Neitzel's number to call. She received several calls, to which she responded and explained the situation. She expressed her disappointment with the disinformation.
- c. Gordy Pace, IT Special Projects Manager, gave a demonstration of the proposed Portal Project and asked Senate if they would like to participate in testing it. Senate voted to do that.
The Chair recognized Peterson.
- d. Neitzel reported on the trip to Helena today, in which about 7 students participated in hearings on a trust fund within the current coal trust fund. Governor Martz told her she didn't want to see a large tuition increase and said she would work toward that goal and also fight to recapture funds from the educational subcommittee cuts and push for base increase.
- e. Neitzel said that the health service fee has generally been supported over the years and encouraged Senate to continue to do so.
- f. Charter Day is tomorrow. Chris Zecek of MontPIRG will be receiving the Student Service Award. Senators were encouraged to attend at the Music Recital Hall at 3:30

Vice President's Report

- a. Billington still needs availability schedules.
- b. The following slate of committee appointments was approved: SPA - Nick Domitrovich, Lea Taddonio. Students-at-large are needed for various committees.
- c. Senators were asked to put papers in Billington's mailbox and not on his desk.

STIP - \$22025.47 ^{21481.79}
Travel Special Allocation - \$11,536.80
Zero-based Carryover - \$156,698.24 ^{\$154,398.24}
Special Allocation - \$7,262 ^{\$6,136.60 can}
Business Manager's Report

- a. Budget and Finance held a long lobbying session last night for Travel Special Allocations. Recommendations will be posted Friday.

Committee Reports

- a. SPA (Thompson) - Senators were asked to sign up for the SLAM table on the sheet circulated. The goal is to have 125 calls and 125 letters next week to make up for lower numbers this week than projected. Students should put their HOME address on letters. Work is being done on bill updating and expansion with an emphasis on environmental, energy and human rights issues. A second motion resolution will be coming forth this evening. University area traffic circles were approved by the city to be built, funded through SIDs.
- b. University Affairs (Swan) - SB32 is in committee. SB33 received a "do pass" recommendation.

A RESOLUTION TO ENDORSE AN INCREASE IN THE STUDENT HEALTH SERVICES FEE

Whereas: The Health Fee funds the operation and range of service offered by Student Health Services, including medical, dental, counseling, wellness, health enhancement, substance abuse, and sexual assault recovery services;

Whereas: A \$5.00 fee increase is necessary to fund personnel expenses, including the projected 4% wage increase and market factor wage increases, and employee insurance benefit cost increases as mandated by contract negotiations (\$107,120). Therefore;

Be it resolved: That the Associated Students of The University of Montana endorse an increase of the Health Fee from the current \$129.00 per semester to \$134.00 per semester (an increase of 3.88%).
