Public Comment

*Mandy Allen read a letter being signed by students to be sent to President Dennison regarding concern about the faculty adjunct situation and related matters.

*Provost Muir explained the adjunct issue and fielded questions about student concerns over class availability and related matters.

The Chair recognized the presence of Lockeridge.

*Eli Fisher of UM Forensics Team asked Senate to increase their travel recommendation.

*Adjunct faculty member David Clark and Professor Fandozzi commented on the adjunct situation and Provost Muir's comments and distributed a paper on the issue. Fandozzi says he feels the administration's interest is in elite graduate programs rather than undergraduate liberal arts education.

*Dean Couture noted there are inaccuracies in the summary statement on the paper distributed by Prof. Fandozzi and would like to comment further next week, as it was necessary for him to leave the meeting.

*Zack Thorup questioned the efficiency of the University administration.

*Nichole Hasbrouck expressed support for the adjuncts and cited areas of the University's Mission Statement and how the current actions are not support of it.

*Kaley Gerleman asked Senate to address the adjunct situation and expressed concern about her future education.

*Crystal Speerstra and Tyler Kimball expressed concern about availability of classes and said they will transfer to another school if a problem results.

*Pam Holman from Career Services reported that the next Ask An Alum Luncheon will be held October 18 from 12-1:30 in UC330-331. The Career Fair had a good turnout.

President's Report

(Provost Muir spoke during Public Comment.)

- a. Neitzel requested Senate and other student input for improving the current budget situation which may result in adjunct faculty contract non-renewal.
- b. With administrative breakfasts over, Neitzel encouraged continued interaction.

- d. An issues forum in getting the youth vote out will be held in Kalispell Saturday evening. A Senator is needed to speak at the forum on higher education funding.
- e. Parking decals may increase by \$30-\$54 per year. A new idea for parking may be tried - designating a lot for daily pay at a higher rate than per day rate would be with a decal, but a student only using parking occasionally would have a better deal.

- g. The next candidate for the Director of Budget, Planning and Analysis position will be available in Cont. Ed 204 next Monday at 1 p.m.

- b. A sign-up sheet for office hours at ASUM on the main campus is posted on the pillar behind the reception desk and should be filled in by Friday of each week for the following week. COT hours should be posted at that site by Friday, also.
- c. The COT office is AD11a.
- d. Billington needs everyone's availability schedule.
- e. A meeting of committee chairs will be October 16 at 9 or 9:30 a.m. at ASUM.
