Clean Cut

Ockham half convenes
Atop a hill of slack
He will gladly cut you some
For the monkeys on your back
Grinning and Thinking and Sharpening
And Sharpening and Grinning and Thinking
Spit and grit whirl assumptions
A stew of fat and costs and shit
Red flags flying everywhere and always
The rule of thumb goes thumbs down
And you're left with five stars in your cereal
And all over your long sleeved shirts
Keep it simple. Keep it serious.
Science never boasts a sense of humor
Science gives monkeys serious haircuts
And shoots them into space
