ASUM SENATE MINUTES

November 1, 2000

UC332-333 - 6 p.m.

Chair Billington called the meeting to order at 6:00 p.m. Present: Neitzel, Billington, Disburg, Bock (6:48), Choc, Domitrovich, Frisbee (6:10), Gachigo, Gardipe, Hankinson, Hunt (6:04), Lewis, Lockridge, Maxwell, Mercer (6:02), Monson, Pierce, Pumphrey, Rosenleaf (6:02), Schulzke, Swan, Thompson (6:02) and Weber.

The Chair recognized the presence of Mercer, Rosenleaf and Thompson.

On a motion by **Billington-Rosenleaf**, the minutes of the October 25 meeting were approved with an amendment to change Lisa Hunt's absence from unexcused to excused.

Public Comment

- *As a UM Advocate, Kobos thanked Senate for supporting the Extracurricular Extravaganza. As Student Regent, Kobos gave her support for the smoking ban in all dorms state-wide. Kobos welcomes input for Board of Regent discussion. Her e-mail address and phone number can be found on the Board of Regents web site.
- *The last Ask An Alum luncheon was a success. More will be held next semester.

President's Report

- a. Neitzel reported that her and President Dennison's talk and question/answer session on KBGA went well. They hope to do this monthly or so. It is possible they may have a call-in format in the future.
- b. Neitzel suggested that ASUM and SPA support a student boycott for Math 117, if the class is not a requirement for graduation. Senate input was requested.
- c. East Timor Action Network is sponsoring a speaker tonight at 7:30 in Gallagher 106.
- d. Um Legal Counsel Aronofsky received word from City Attorney Nugent that there is a movement to pass a city ordinance banning over four single, unrelated persons from living together in a rental. There may be an effort to push this through City Council over Christmas break.
- e. The Park 'n Ride program has been very successful, and the Transportation Task Force would like to enter into an agreement with the city to receive grant monies to help pave the lot. The University Administration would like maintenance monies to be included. Also, an unknown project may be in the works, keeping the Administration from agreeing with the city to this project. A suggestion for paving an area south of there is not viable. The extra shuttle time involved has been shown to be unpopular. Paving the area is crucial, as it is causing air pollution from dust, which may eventually close it down.
- f. Volunteers are needed to get out the vote on Tuesday.

The Chair recognized the presence of Frisbee and Hunt.

Vice President's Report

- a. The following committee appointments were approved as a slate on a motion by **Billington-Monson**: Student Retention and Recruitment - Chris Lockridge, Alex Rosenleaf; On-line Teacher Evaluation - Rebecca Jolly, James Dolf.

STIP - \$22025.77

Travel Special Allocation - \$11,536.80

Zero-based Carryover - \$156,598.24 *can*

Special Allocation - \$7,262,668.60 *can*

Business Manager's Report

- a. Disburg relayed an apology from Advisor Ausland for his absence.

Committee Reports

- a. ASUM Affairs (Weber) - A sign-up sheet for Thursday/Friday tabling was circulated. Suggestion box comments were read. The next Committee meeting is Sunday at 7 p.m.
- b. Faculty Evaluation Web site (Mercer) - There have been on-going talks with Professor Chaloupka and Photiades, Gordy Pace and Provost Muir. The exact format has not been decided. UM Legal Counsel Aronofsky sees no problem with the idea.

ASUM Senate Minutes

November 1, 2000

Page two

- c. Board on Membership (Maxwell) - The following groups were approved as a slate on motion by **Maxwell-Schulzke**: Beta Phi Alpha and Men's Lacrosse.
- d. SPA (Thompson) - The U-Vote Coalition mailed out voting guides. Those doing tabling were asked to stand by it to encourage students to seek voter information. Volunteers are needed for Election Day and may sign up in UC114.
- e. Strategic Planning and Budget (Neitzel) - Reserve funds should be named more appropriately. The next biennium budget is being discussed and should include fixed expenses. The Commissioner would like to see a \$500 increase/student in the budget, but the Governor's budget is looking more like \$100.
- f. Drug and Alcohol Advisory (Pumphrey) - There was discussion about expanding the membership to include some community members. Subcommittees have been formed for research.
- g. University Court (Swan) - The SOS program was discussed, along with steps to hold students accountable for their actions - withholding registration and other ideas.

The Chair recognized the presence of Bock.

Unfinished Business

- a. SB16-00/01 Resolution to Support Proposed Smoking Policy for Residence Halls (Exhibit A). A friendly amendment by **Neitzel** to add to the final sentence "contingent upon a Residence Life investigation into the possibilities of a smokers' shelter" was accepted. With no objection to **Swan's** previous question call, the resolution passed as amended on a motion by **Rosenleaf-Lockridge**.

New Business

- a. Resolution in support of a spiritual group union
- b. Resolution for Math 117 Boycott Campaign

Exhibit A
SB 16-00101

Resolution to Support Proposed Smoking Policy for Residence Halls

Whereas, ASUM respects the rights of smokers. However, ASUM holds the health of all residents in high regard.

Whereas, a student's choice to smoke should not impede on the rights of another to breathe non-contaminated air.

Whereas, asthma and respiratory problems pose serious risk to a student's well-being. Further, second-hand smoke has been known to cause complications with both.

Whereas, currently not all resident halls are completely smoke-free.

Whereas, all resident halls are equipped with central ventilation systems that create a communal air quality environment.

Whereas, by residence life calculations, 90% of resident students are smoke-free.

Therefore let it be resolved, ASUM supports a ban on smoking in all campus buildings, including residence halls, contingent upon a Residence Life investigation into the possibilities of a smokers' shelter.
