### **President's Report**

- Mike Reid, VP of Admin and Finance and Marty Ludemann, Chief of Police: Parking Ticket Alternative Structure Options
  - They are working to change the way parking on campus operates.
  - They propose waiving the first ticket of a non-permitted car or visitor, then \$10, then \$50 for a third ticket. The appeal process used to be unlimited, with no payment on tickets. Now students may be able to appeal as many times as they want, as long as they pay their tickets up front if not appealed.
  - There will be an informational note in the ticket envelope communicating these changes to students on the parking ticket structure.

- SPCC: Strategic Planning Update

  - They came to update the Senate on Strategic Planning
    - There were two forms of outreach. They focused on being rigorously inclusive, transparent, and data-informed. One of the first things they did was look at Strategic Plans currently in place. Then they gathered input from across the state (4,000 points of input total).
