10       Whereas, to be effective and relevant ASUM Bylaws must be current;

11  
12       Whereas, Relations and Affairs Committee has long held a formal charge to issue a report  
13       of ASUM agency activity and coordinate the marketing efforts of ASUM;

14  
15       Whereas, these duties, delegated to Relations and Affairs Committee by the ASUM  
16       Bylaws, have not been fulfilled in at least the last four years;

17  
18       Whereas, the ad-hoc Students First Committee has taken on the duties of education,  
19       outreach, and marketing on behalf of ASUM and its agencies;

20  
21       Whereas, Students First Committee is seeking status as a standing committee;

22  
23       Whereas, ASUM strives to distribute burdens equally and empower Senators, students-at-  
24       large, and committees to fulfill their obligations;

25  
26       Therefore, Let It Be Resolved that the ASUM Senate amend ASUM Bylaws to read:

27  
28       **Section 2. Relations and Affairs Committee:**

29       A. The Relations and Affairs Committee shall be composed of nine (9) members, four (4)  
30       of which shall be Senators.

31       B. All Changes to the ASUM Bylaws, ASUM Personnel Policy, ASUM House Rules, or  
32       any resolution not coming from the University Center Board, Student Political Action, or  
33       the Board on Budget and Finance must be presented to the Relations and Affairs  
34       Committee prior to going to the Senate.

35       1. The Relations and Affairs Committee can choose to forward resolutions to the Senate  
36       with a do pass, do not pass, or no recommendation at all.

37       2. The Relations and Affairs Committee may choose not to forward a resolution to the  
38       Senate in accordance with procedure in Roberts Rules of Order.

39       The Relations and Affairs Committee shall be responsible for recommending all changes  
40       to the ASUM Bylaws and ASUM Personnel Policy.

41       ~~C. The Relations and Affairs Committee shall work on unbiased projects, ideas, or~~  
42       ~~campaigns intended to increase student involvement in and student awareness of ASUM~~  
43       ~~government in general or any particular issue(s) pertaining to ASUM.~~

44       D. The Relations and Affairs Committee shall be responsible for all activities occurring  
45       on the University campus that affect ASUM and students. These activities include, but  
46       are not limited to: auxiliary service fees and operations, campus development plans,

47 campus security, environmental health, insurance, parking, university athletics, computer  
48 fees, academic issues, library operations, long-range building plans, international student  
49 affairs, student health service, drug and alcohol policy, and building and equipment fees.  
50 E. The Chair of the Relations and Affairs Committee is responsible for organizing a  
51 review of all ASUM Agency activity, excluding personnel issues, and presenting a report  
52 to the Senate at least once per semester.

53

54 Therefore, Let It Be Further Resolved that the ASUM Senate does everything within its  
55 power to encourage Relations and Affairs Committee to fulfill its obligation of reviewing  
56 ASUM agency activity and publish a report of findings during the 2011/2012 academic  
57 year.
