Furniture Construction

Course #: Drama 395, 595 Section 3
Time: Tuesday and Thursday 12:40-2:00
Room: PART 140 (scene shop)
Instructor: Mike Monsos
PARTV Building Room 192
243-5138
michael.monsos@umontana.edu

Text: Handouts in class-no text.

Materials Needed: For the furniture project, you will either pay for all your materials and therefore keep your project, or, if agreed to by instructor, the department will supply the materials and keep the project for our stock. The department will supply materials for the other projects (ie. lathe, joinery and cabriole leg)

Course Description:

This course is designed to teach students furniture construction techniques, safe operation of all wood working tools, finishing techniques and wood identification. Students will also learn repair and maintenance of furniture.

Course Objectives:

After gaining an understanding of tools, techniques and technologies, students will design a piece of furniture, decide on joinery and construction methods, create working drawings, cut lists and construction methods and then see the construction of the furniture through to completion.

Academic Misconduct and the Student Conduct Code

All students must practice academic honesty. Academic misconduct is subject to an academic penalty by the course instructor and/or a disciplinary sanction by the University.

All students need to be familiar with the Student Conduct code. The Code is available for review online at:

www.umt.edu/SA/VPSA/Index.cfm/page/1321.

Grading:

Students will be graded on attendance, test scores and class participation. The final will consist of a short exam and the completed furniture piece, with grading being based on quality of construction, design, finish and method of construction.

Attendance policy:

Attendance is extremely important; it is assumed students will attend all classes. ***Only one absence is allowed***, each absence after that will result in the lowering of one full letter grade.
