Public Comment

*Todd Wojtowicz, member of the Integrated Pest Management Committee, expressed concern over the move toward herbicides for controlling weeds on the University mountainside. A comment period will be held Tuesday, October 15, from 3-5 p.m. in Science Complex 131. He encouraged Senate to attend. He circulated a map of the area in which weed hand-pulls have taken place, a method he feels will be very successful and a good alternative to herbicides.

*James Massey and Cory Rigler encouraged Senate to continue the Phoenix investigation.

*Todd Wojtowicz gave the opinion that more specifics should be given to continue a Phoenix investigation.

*Michael Mathern noted that Phoenix matters have passed the scrutiny of meeting with legal counsel, and he felt that all should be put to rest.
