Exams/Grading: Grades will be assigned by dividing the number of points attained in the course by the total number of points possible. The percentage obtained in this manner will then be translated into a grade according to standard university ranges: A (100-90.0); B (89.9-80.0); C (79.9-70.0); D (69.9-60.0); F (59.9-0). The instructors reserve the right to curve the grade distribution as appropriate. Exams may occur in a variety of formats: multiple choice, short answer, essay, etc. In all cases, performance according to School of Pharmacy and University of Montana ethical guidelines is expected. Exams are to be taken as scheduled (See School of Pharmacy policy on exams). Opportunities may arise for in-class student participation assignments.
