*Course Description and Objective:* **G 501 Graduate Critiques Seminar 1 cr.** (R-4) Offered autumn and spring. Prereq., consent of instr. Weekly meetings to critique graduate student work.

The purpose of this class is to allow graduate students in different disciplines in the School of Art to give and receive feedback on their artwork, and to create a forum for dialogue on art-related matters. The format of the class will hopefully allow for two individual critiques of each student's work this semester, plus several group critiques by visiting artists.

*Academic Misconduct and the Student Conduct Code*
