Chairman Aasheim announced that the notice of the public hearing for January 24 was given out January 18. It was decided that each committee member should be responsible for his own local papers and the news released to them. The Chairman asked for objectives to be obtained from the public hearing. The following were objectives to be gained:

1. To hear the general public and let them voice their opinion.
2. To acquaint the general public with the scope of this committee's problems. It was discussed whether the sub-committee chairmen should present the issues facing their groups.
3. To create the best public relations atmosphere.

The sub-committees were asked to meet by Friday and be able to relate to the chairman the scope of their problems.

It was decided to have an informal session at 1:30 p.m. The committee will meet again 10 minutes after adjournment January 20.

Time of Adjournment: 12:10
