Exhibit 11

SB 11-95/96

## RESOLUTION TO REVISE PERSONNEL POLICY

Whereas, the ASUM Personal Policy states "All ASUM classified personnel are ultimately responsible to the ASUM Executive Officers and the Senate. For legal purposes, the ASUM President will be considered supervisor and director of each classified employee."

Whereas, recent change with the number of cases the ASUM Resolution Officer works on has increased greatly due to the advertising of the position;

Therefore, be it resolved that the following change is made to Personnel Policy (proposed policy in bold):

### Item 3.0

ASUM Resolution Officer	\$5.00	30.00
(the ASUM President may approve up to 50.00 hours per month)		

Authored by ASUM President Matt Lee

Passed 11/1/95

SB 10-95/96

Resolution to support the passage of the Open Space Bond

Whereas: the Open Space issue is one that students have taken an active interest in and are affected by,

Whereas: Missoula needs to take steps toward better management of its expansion,

Whereas: protecting the environment surrounding and within Missoula is a priority of students,

Whereas: students of The University of Montana are members of the Missoula community,

Whereas: One reason students attend The University of Montana is for its environmental surroundings,

Whereas: The ASUM Senate's duty is to represent students on the local, state, and national levels, and

Whereas: the Student Political Action Committee is the ASUM committee most concerned with political matters in the community and on campus.

It should also be noted that no ASUM or Student Political Action money or resources will be spent to support Open Space. Energy will be used to educate students on both sides of the issue and encouraging students to vote.

Therefore Let it Be Resolved that the ASUM Senate supports the Open Space Bond that will be on the ballot November 7, 1995.

Let it Further Be Resolved that the ASUM Senate does direct the SPA Committee to draft an opinion paper discussing all arguments associated with this issue, this paper to be submitted in the form of a letter to the Editors of the Montana Kaimin and the Missoulian, subject to the approval of the President of ASUM.
