Requirements. Attend the lectures, participate in the class
discussions, and complete the readings and the assignments.
There will be two midterm examinations, a final exam, and 2
papers.
You have many chances to demonstrate your mastery of the
material.

Lectures are delivered Monday, Wednesday, and Friday in Social
Sciences 356 at 9:10. Please be courteous to your
classmates. Please turn off your cell phone. Please do not
arrive late, leave early, talk during the lectures, or read
newspapers. Note this is not an all inclusive list. Notes should
be taken, not borrowed. Good notes will help you master the

material. Lectures may NOT be recorded.

Discussion Sections. Please check your course schedule for the time and location. Attendance is MANDATORY. Please come prepared to discuss the readings intelligently. All assignments must be turned in at the beginning of the hour. If you miss the first two sections, you will be dropped from the course in accordance with university policy. An unexcused absence from a section will result in a loss of two percentage points from the final grade.

Papers are due at the beginning of hour. Your responses should be 200 words, typed and double-spaced. Late papers will not be accepted.

Grades are based on a 100 point scale. 93 for an A, 90 for an A-, 87 B+, 83 B, 80 B-, 77 C+, 73 C, 70 C-, 67 D+, 63 D, 60 D-, below 60 F. Grades are assigned by the Teaching Assistants in consultation with the instructor. Section attendance and participation 10% (in the rare instance that you miss more than 5 sections it can be worth more) short papers responses 10%, midterms 25% each, and the final 30%.

Makeup examinations will not be given and late work will not be accepted, except for reasons which are verifiable.

Grading Options. According to University policy: "Courses taken to satisfy General Education Requirements must be taken for a traditional letter grade. Courses required for the student's major or minor must be taken for a traditional letter grade."

Credit/No Credit Option. Please note that "Election of the credit/no credit option must be indicated at registration or within the first 15 days on CyberBear. After the fifteenth day, but prior to the end of the 30th day of instruction, an undergraduate student may change a credit/no credit enrollment to the enrollment under the A-F grad system, or the reverse by means of a drop/add form."

Plagiarism or cheating means not just failure of the specific assignment but failure in the class.

Moreover, failure to complete an assignment can mean failure in the class.

Drops require the consent of the instructor after the 15th instructional day. After the 45th instructional day, drops are available only in extraordinary circumstance and only through a petition that must be approved by the advisor, the instructor, and the dean.

Teaching Assistants are your guides through this class. Value them. Seek help if you need it and seek it early.

Students with disabilities will receive reasonable modifications in this course. Please contact Disability Services for Students (<http://www.umnt.edu/disability>) to provide verification of the disability and its impact and then present this documentation to me with your accommodation request (for which forms are available from DSS) at least forty-eight hours in advance of any requested accommodation.
