RESOLUTION TO ENDORSE CAMPUS COMPACT
AND A UNIVERSITY OF MONTANA VOLUNTEER CENTER

WHEREAS: "... the University of Montana generates new knowledge through research and creative activities, transmits that knowledge through its instructional programs, and commits its academic resources to the public good through a variety of service activities..."

- the original
university charter
of 1893;

WHEREAS: The notion of volunteerism and the implementation of Campus Compact and a university volunteer center heed this call for practical social responsibility;

WHEREAS: Campus Compact is an organization that would provide the University of Montana with technical assistance and a clearinghouse of information on opportunities for community service, funding opportunities for service projects, and incentives for involvement in public service;

WHEREAS: Campus Compact would be the backbone-structure for a university volunteer center, organized to link the community to students, faculty, and staff via a variety of public service activities;

WHEREAS: Campus Compact and a university volunteer center would be funded by private sources such as grants.

THEREFORE BE IT RESOLVED THAT:

ASUM endorses Campus Compact and the organization of a university volunteer center. Furthermore, ASUM supports the endeavor to promote an awareness of public service as an important part of a liberal education at the University of Montana.
