A RESOLUTION OF THE ASUM SENATE
TO SUPPORT AN INCREASE IN THE STUDENT HEALTH SERVICE FEE

WHEREAS An increase from \$81.75* per semester to \$87.00 per semester is needed to maintain the current level of service to students at the Student Health Service (6.4% increase),

WHEREAS The need for this increase is to fund the staff pay raise (due to statewide reclassification of nurses) that was authorized by the 1991 Montana legislature and to meet the general inflationary cost of supplies,

WHEREAS If the Student Health Service fee is not increased by the requested amount, the Student Health Service would be forced to cut back some services to students**

THEREFORE Be it resolved that ASUM supports a 6.4 increase in the Student Health Service fee.

*This fee was converted from quarter to semester rates for comparison purposes.

**Potential targets for reduction: student education programs (i.e., birth control and drug and alcohol abuse classes), outreach programming (i.e., dormitory and greek house presentations) and wellness programming (campus-wide wellness programming), plus possible reductions in staff and 24-hour services.

Sponsored by Senator Jennifer Greene
