DISCUSSION

The hearing was called to order by chairman, George Heliker with one witness appearing.

Mr. Steve Coldiron, Montana State Low Income Organization spoke in support of the proposal presented earlier by Mr. Ted Carkulis. He said he felt a person on welfare needed the help to be trained for a job to lift himself out of his helpless condition, become a useful citizen contributing to society, and that the state owed him this as a right.

The Chairman announced that this committee had received proposal #39 and #45, and that possibly a joint hearing with the Bill of Rights Committee should be arranged on #45.

The meeting adjourned at 10:20.

George B. Heliker Chairman
