MINDNIAC

THE REASONABLE CITIZEN OF SCHOOLING
(CHILEAN EDITION)

Melissa Andrade-Molina 1
Aalborg University, Denmark

SINCE ITS INDEPENDENCE, A COUNTRY DESIRING TO OVERCOME ITS POVERTY AND MISERY AIMED AT PRODUCING THE COMPETENT CITIZENS CAPABLE OF PURSUING GLORY AND BOOSTING THE ECONOMY. THIS COUNTRY WANTED TO ESCAPE FROM IGNORANCE, WANTED TO BE WISER, WANTED TO BE WEALTHIER.

DR. CHILE WAS LOOKING FOR THE KEY TO UNLOCK THE PATH TO SUCCESS AND GROWTH. EXPERIMENTS WERE CONDUCTED TO FINE-TUNE THE FEATURES OF THE MINDNIAC: THE CREATURE CREATED FOR ACHIEVING ECONOMIC PRODUCTIVITY AND PROSPERITY.

THE IDEA OF MORE MATHEMATICS FOR GREATER SCIENTIFIC SKILLS OPENED THE PATH FOR BELIEVING THAT ADVANCED MATHEMATICS WOULD POTENTIALLY CREATE THE PERFECT HUMAN FOR SOCIETY. DR. CHILE WAS READY TO ADVERTISE THIS PRODUCT AS A PROGRAM OF PERFECTING HUMANS. THE MINDNIAC ROSE AS THE REDEEMER OF ITS NATION.

SANTIAGO, CHILE. 1810.

TODAY WE ARE
CELEBRATING OUR
INDEPENDENCE...

NOW, MY
DEAR FRIENDS,
NOW WE
ARE FINALLY
FREE!

BUT...

... NOW WHAT?

WE HAVE TO PREPARE
THE SPIRIT OF PEOPLE

PEOPLE'S SPIRITUALITY?
WE NEED RIGHTS!

DO YOU MEAN RIGHTS
TO OVERCOME OUR MISERY?
WE NEED EQUALITY
AND FREEDOM!!!

IT'S THE
ONLY WAY...
TRUST ME

OECD'S HEADQUARTERS. 2014.

SANTIAGO, CHILE. 1973.

PLEASE, TELL ME
SOME GOOD NEWS.

YES, DR.! ECONOMY CAN BE BOOSTED.

WE CAN OPTIMIZE
OUR ECONOMIC STATUS.

PEOPLE HAVE TO
FEEL FREE TO BUY
WHATEVER THEY
WANT...

WE ARE ABLE TO
CREATE A SYSTEM...

YOU HAVE
MY ATTENTION

A SYSTEM THAT WILL PRODUCE
THE NEED TO INVEST.

INVEST? IN WHAT?

INVEST IN EDUCATION, DR.!

IN EDUCATION,
I SEE...

...THE URGE TO PAY FOR
A BETTER PRODUCT ON THE
MARKET, FOR A LITTLE
MORE QUALITY.

OF COURSE, DR.
THEY'LL BUY THE POSSIBILITY
OF WELFARE.

SANTIAGO, CHILE. 1850.

WE HAVE TO FIND A WAY TO OVERCOME THIS MISERY. LOOK AT US! NO COMMERCE, NO INDUSTRIES. NOTHING!

WE NEED TO FIGHT IGNORANCE, DR. IT'S KILLING US!

OK. TELL ME HOW. ENLIGHTEN ME!

SCIENCE, DR.!

SCIENCE HAS TO BE POPULAR. IT'S THE ONLY PATH.

WHY SCIENCE?

WELL, DR... THE EARTH DOES NOT PRODUCE WHAT IT SHOULD WITHOUT EXPERT HANDS TO GROW IT.

SO, EXPERT HANDS...

...KNOWLEDGEABLE HANDS.

YES, INTELLECTUAL KNOWLEDGE TO INCREASE AGRICULTURE AND THE INDUSTRY. JUST AS YOU LIKE, DR.!

DO IT!

IT'S NOT
ENOUGH!!

BUT...
PROGRESS?

BUT...
WELFARE?

BUT...
THE ECONOMY?

BUT...
IGNORANCE?

IT HAS TO BE IMPROVED!

IT DOESN'T NEED TO
BE SUPER STRONG...

IT DOESN'T NEED
TO FLY...

OR TO BE THE
FASTEST...

OR TO HAVE
SUPER VISION...

...IT HAS TO USE ITS MIND!

SO, DID YOU FIX IT?

WHAT DO YOU THINK?

HERE IT IS!
WE INCREASED THE
LEVELS OF MATH.
ET VOILÀ!

THE MINDNIAC
IS COMPLETE.

EXCELLENT. IT'S
FINALLY TAKING SHAPE

AND WHAT ABOUT
THE ECONOMY?

TWO STEPS AHEAD
OF YOU, DR.

THIS DEVICE IS PROGRAMMED WITH ALL STANDARDS.
WITH EVERYTHING WE NEED AND EVERYTHING WE KNOW.

WE DESIGNED
A DEVICE THAT
WILL HELP
US MONITOR
MINDNIAC'S
PROGRESS.

MAP OF PROGRESS
PROGRAMS
GUIDELINES
STRATEGIES
REASONING
GUIDELINES
LOGIC
STANDARDS
KNOWLEDGE

WE CALLED IT "SHE."

IT'S NOT ENOUGH!!
THE MINDNIAC
IS NOT PLANNING
ITS MOVES, IT'S
NOT THINKING
LOGICALLY, IT'S
NOT MAKING
STRATEGIES. IS
IT REASONING
OR JUST
USING ITS
INSTINCTS?

WE ARE GETTING CLOSER
AND CLOSER, ELLA. BUT WE
HAVE TO KEEP MOVING

DID THEY FIND A WAY
TO IMPROVE IT?

NO, ELLA. BUT THE
MINDNIAC IS ALMOST
COMPLETE...

MATHEMATICS TO DEVELOP
THE SKILLS, TO SHAPE THE MIND,
TO INSTRUCT THE HANDS,
TO TRAIN THE EYES...

MATHEMATICS TO OBTAIN
THE WELL-EQUIPPED, THE
COMPETENT, THE TECHNICAL,
THE REASONABLE...

THE HEALTHY, THE
CONSUMER, THE HIGHLY
QUALIFIED, THE SCIENTIFIC
MINDED...

MATHEMATICS TO
PERFECT HUMANS, ELLA!

WE NEED TO
TEST IT, DR...

CALCULATING
TRAJECTORY

HIT
ESTIMATION

TARGET
APPROACHING

POSITION
COMPROMISED

JUMP

IT IS BETTER
NOW, BUT... IT CAN
BE IMPROVED. THIS
PROVES THAT THE
MODEL IS READY TO
HIT THE MARKET.
NOW WE ARE ABLE
TO SELL A PRODUCT
THAT WILL ASSURE
SUCCESS!

WE HAVE IT, ELLA!

IT HAS BEEN TESTED,
HIGHER MATHS EQUALS...

...HIGHER QUALITY.

WOULD PEOPLE WANT
TO PAY FOR IT, DR.?

ELLA, IT WILL
GUARANTEE THEM
SUPERHUMAN
INTELLECT, STRENGTH,
SUPER GENIUS
SKILLS...

...AND WELFARE.

OF COURSE, ONLY
IF THEY CAN AFFORD IT!

IT IS NOT GOOD
ENOUGH!!
