ASUM Resolution # 200 "A Resolution to Initiate the Cholesterol Screening Contest"
Spring 1990

Objective: To endorse and assist in sponsoring a competition between a team of ASUM Senate members and a team of UM Residence Assistants to help promote the newly established Student Wellness Program. The competition will help promote the services Cholesterol Screening service and class during Wellness Awareness Week, April 15-19.

Whereas, Student participation and commitment to the UM Student Wellness Program is essential to the growth and viability of the service;

Whereas, ASUM participation in this program would bring both the needed student participation and the public relations that the program will need to promote itself to the general student public;

Whereas, ASUM could assist in providing the much needed financial support and coordination that will be needed for this event;

THEREFORE, BE IT RESOLVED THAT...

... the ASUM Senate agree to the following commitments:

1. That they establish a team, consisting of no more than ten individuals, to both have their cholesterol and blood profiled by the Health Service and attend the Healthy Heart Class.
2. That these individuals agree to let the Wellness Program calculate and total their cholesterol and blood lipid scores., with the intention of publication.
3. That the Senate formally challenge another student group to do the same.
4. That the Senate or Executive Board agree to provide either the total amount or a percentage of the cost to pay for this service.
5. That the Senate team agree to complete the blood work by 4:00, April 19, 1991.

A RESOLUTION TO SUPPORT HB 1007--REP. MIKE KADAS (D) MISSOULA
"AN ACT INCREASING INDIVIDUAL AND CORPORATE INCOME TAXES TO PROVIDE FUNDING FOR
HIGHER EDUCATION; APPROPRIATING MONEY TO THE UNIVERSITY SYSTEM..."

Whereas we are student representatives and we have a responsibility to actively
support legislation which would enhance our funding situation;

Whereas HB 1007 would bring the University of Montana to the levels of our peers
in five years;

Whereas it is the goal of the Montana University System to have funding comparable
to its peers; and

Whereas HB 1007 would ameliorate, and hopefully solve, the chronic underfunding
problem which faces the school every legislative session;

Therefore Be It Resolved that the Associated Students of the University of Montana
~~support~~ ^{endorse} HB 1007.

Authored by the SLA Committee

Sponsored by ASUM Senator Danna Jackson
