7  
8       Whereas, The Associated Students of The University of Montana’s (ASUM) personnel policy  
9       lists the Student Resolution Officer (SRO) as having a base number of hours;

10  
11       Whereas, the SRO is a very stressful job that requires extensive knowledge and understanding of  
12       the University’s Collective Bargaining agreement and requires the interaction with the  
13       representatives of the faculty union;

14  
15       Whereas, the SRO position is intended for a graduate student studying conflict resolution or  
16       counseling it has been rarely filled by such a student as the pay is too low;

17  
18       Whereas, the SRO is meant to be a two year position,

19  
20       Whereas, this goal has not been accomplished in recent years as students who may fill the post  
21       for such time would rather find other jobs with better pay;

22  
23       Whereas, a change in the SRO base hours from the current thirty per month to eighty per month  
24       would be an overall expenditure by ASUM of approximately \$4072.50 per year;

25  
26       Therefore, Let It Be Resolved that the ASUM Student Resolution Officers base hours will  
27       increase from thirty hours per month to eighty hours per month;

28  
29       Therefore, Let It Be Further Resolved, that this change will not go into effect until the 2015/2016  
30       ASUM senate takes office;

31  
32       Therefore, Let It Be Further Resolved, that any relevant section of ASUM personnel policy be  
33       amended at that time to reflect these changes.
