ASUM CENTRAL BOARD MINUTES

Mt. Sentinel Room

November 14, 1984

7:00 p.m.

The ASUM Central Board meeting was called to order by Phoebe Patterson, ASUM President. Members present were Baer, Brown, Campbell, Crilly, Desmul, Elison, Henderson, Hense, Johnson, Jonston, LeHeup, Keyes, LeSueur, McGuire (arrived 7:15 - excused), Mercer, Miller, Reich, Stack, Sullivan (arrived 7:10), Winslow, Sauter, Gullickson, Jahrig, and Whiteman as faculty advisor.

The minutes of October 24, 1984, were approved as written.

President's Report

1. Patterson informed the Board that the International Students are having a "Global Bash" this weekend in the University Center Ballroom. Tickets are \$8 a couple.
2. The Legislative Task Force will be meeting Tuesday morning at 7:30. Mike Easton is the chair of this committee. Patterson and the two ASUM Lobbyists will be attending this meeting along with Jeff Weldon, Legislative Committee chair.
3. Wilderness Institute is currently seeking information from people outside its organization on wilderness issues for an upcoming conference entitled "Right to Remain Wild Conference."
4. Regarding the cancellation of meetings, Patterson informed the Board that if there isn't anything to discuss for the upcoming Central Board meeting then she will cancel it unless she hears any objections to doing so. Patterson informed the Board that next Wednesday's Central Board meeting will be canceled due to the Thanksgiving holiday and also there isn't anything crucial to be discussed.
5. Patterson informed the Board that she received a telephone call from Les Morse of Northern, also Montana Associated Student's president, and he informed her that he received a telephone call from Irving Dayton's office asking the six unit student president's to attend the President's Council's meeting on December 3 in Helena. Topic for discussion will be the student liability insurance. Patterson was informed that Jack Noble stated that the people behind the purchase of insurance is the Legislative Finance Committee. Patterson still believes that the University president's are still behind the student governments to not have to obtain insurance.

6. When the Regents met on November 2 in Missoula, there was an open forum in the afternoon for anyone interested in attending. Patterson informed the Board that when Jeff Morrison was asked the question on why students weren't solicited for their feelings on a tuition increase Jeff Morrison responded by saying why ask the students when they are going to say no.

The next Board of Regents meeting will be in Havre on December 13 and 14. Patterson and the two ASUM Lobbyists and Jeff Weldon will be attending this meeting.

7. Appendix A shows what ASUM has received regarding the proposed tuition increase.
8. Concerning the ASUM Day Care situation, the University Day Care Committee met concerning a day care for University employees. Glen Williams informed them that if they were able to find suitable space that they could probably have it for free because the University considers this to be a benefit to its employees. Patterson said she had expressed her displeasure with the rent fees charged the ASUM Day Care program.

In addition, the University has recently purchased two new houses and perhaps will be purchasing more houses near the University. Glen Williams said there was a possibility of considering putting ASUM Day Care into one of them.

9. Sauter - Hense

Motion to ratify Laurel Grady as Constitutional Review Board chair. Upon vote, motion passed.

10. Gullickson - Crilly

Motion to ratify John Becker, Patrick Sandefur, and Joseph Whittinghill to Budget and Finance and Thornton Johnston to the Student Health Committee. Upon vote, motion passed.

#### Vice President's Report

11. Currently, ASUM has vacancies on some very important committees. ASUM will be advertising in the Montana Kaimin and will be displaying posters around campus after Thanksgiving to find interested students to serve on these committees. Also, the ASUM Day Care Committee does not have a Central Board representative on this committee. Anyone interested in this committee should see Sauter.
12. The "ASUM and You" handbook is going into its second print. Anyone having any ideas for this handbook should see ASUM as soon as possible.

### Business Manager's Report

13. Gullickson informed the Board that the Budget and Finance Committee denied an \$800 special allocation request by the Cultural Committee to cover costs of bringing in Vigilante Players on December 2.
14. Gullickson informed the Board that currently Budget and Finance is revising the ASUM Fiscal Policy. Gullickson said he will keep the Board informed on the progress.
15. Gullickson informed the Board that the Building Fees Committee approved the purchase of five houses near the University. See Appendix B for the option the committee chose.

### Committee Report

16. Bob LeHeup, Elections Committee Chair, gave the Board an Elections Committee update. Appendix C shows what the committee has been working on and the changes they hope to implement in the next election. The committee will ask the Board to vote on this document at a later date. Anyone having questions with this document or having any changes they would like to see made should see Bob or Jeremy Sauter as soon as possible.
17. Dave Sheldon, member of the Academic Standards and Curriculum Review Committee, gave the Board an update on the proposed exit exam.

SUBJECT: Tuition Survey Update - 1984-85

I have revised my recommendation for tuition increases for the next biennium based upon the most recent tuition data for the current year. The recommendation that I made last May, based upon estimated tuitions for this year, appears to understate in-state tuition projections and overstate out-of-state tuition projections. While our average in-state tuition for U of M and MSU increased \$60.00 per year, the peer average moved by \$75.00. We are currently at 91% of the peer average and I had anticipated that we would be close to 96% of the in-state peer average. (See Appendix A) Our relative position for out-of-state tuitions puts U of M and MSU at 98% of our peer institution average for 1984-85. (See Appendix B) Original estimates anticipated our out-of-state tuition to decline to 90% of the peer average.

Table I shows my revised tuition recommendations as compared to those made last year. The increased tuition cost for a resident student would be \$108.00 in 1986 and \$72.00 in 1987 as compared with my original recommendation of \$54.00 for 1986 and \$64.80 for 1987. The new recommendation would put us just slightly below my estimated peer institution average for 1987.

The out-of-state tuition recommendation is revised downward from a total annual increase of \$189.00 to \$180.00 in 1986 and from \$209.00 to \$126.00 in 1987. The above amounts include the in-state tuition increases that all nonresidents are required to pay. My revised recommendation would put U of M and MSU right at the peer institution estimated nonresident tuition level in 1986 and 1987.

In the past, the Board has made its tuition recommendation at the December meeting.

Approved Plan B.

- D. Explain how the selected alternative will benefit students, programs, and/or the campus.

Purchase of the property will make additional rentals available to students, staff and faculty. If the Zoning can be changed in the future, the property could be used for offices, academic programs or additional parking. Income derived from the property will make funds available for purchasing additional parcels in the targeted areas.

- E. Explain: (1) why funding is necessary, (2) why the project cannot be deferred, and (3) how project fits into the University Planning Council plans.

Funding is necessary for outright purchases, down payments or to purchase options on the property. This request cannot be deferred as the prices will continue to rise, someone else may purchase the property and it may be a long time before the property is on the market again. The purchase of the properties fits into the campus plan in that acquisition of property in the adjacent areas to the campus will allow for future expansion. There is also some degree of urgency to purchase the properties due to the availability and the willingness of the seller.

A. Thoughtful explanation of the problem being addressed:

Historically, the purchase of land adjacent to the campus has been made possible through Building Fee funds. The University has interest to acquire land as it becomes available in the 600 block on S5E, S6E, Eddy Street and the 700 Block of Keith. To extend the influence of available funds some properties have been put on contract for deeds. Four such examples are being processed now from the money available in the rental property account, (R.C. 1860), a source now depleted. This request is to obtain funds to purchase five additional parcels of property: a 4-plex, three single family dwellings on S6E and a single family dwelling on S5E.

B. Alternatives considered:

1. Purchase with Building Fee money

- A. outright purchase
- B. contract for deed
- C. option to purchase

2. Legislative request

3. Not purchase the property

C. Rationale for selection of a particular alternative:

In years past, Building Fee monies have been used to purchase property for the University.

November 2, 1984

OPTION A:

Building Fee Committee to purchase the five properties out-right. The following is the estimated purchase price (firm price will come from appraisals of each property).

<u>PROPERTY</u>	<u>ESTIMATED PURCHASE PRICE</u>
610 S 6 E	\$ 65,000
629 S 6 E	65,000
630 S 6 E	57,000
638-644 S 6 E (4-Plex)	75,000
633 S 5 E	65,000
Total	<u>\$327,000</u>

OPTION B:

Building Fee Committee to pay the 20% down payments and make the monthly payments on the contracts for deed. The following is the cash flow for Option B:

	<u>DOWN PAYMENT</u>	<u>BALANCE</u>	<u>ESTIMATED MONTHLY PAYMENT @ 9 3/4%</u>
610 S 6 E	\$ 13,000	\$ 52,000	\$ 463.40
629 S 6 E	13,000	52,000	463.40
630 S 6 E	11,400	45,600	406.37
638-644 S 6E	15,000	60,000	534.69
633 S 5 E	13,000	52,000	463.40
Total	<u>\$65,400</u>	<u>\$261,600</u>	<u>\$2,331.26</u>

Two appraisals are required for each property before purchase. The cost of the appraisals are \$150 each and will be covered by the University of Montana rental account.

The monthly rental payments collected from the five properties will be processed through the rental account to cover maintenance, operations and to provide some money for future purchases.

Revised 11/84

DIVISION IV - ELECTIONS

ARTICLE I. ELECTIONS COMMITTEE: The Elections Committee, as appointed by the ASUM President and ratified by Central Board, shall hold, monitor, and arrange the yearly elections for the offices of ASUM President and Vice-President, ASUM Business Manager, and Central Board Delegates, and shall conduct referendums. In addition, the Elections Committee shall reapportion Central Board seats each year and conduct special elections as required.

ARTICLE II. ELIGIBILITY: Students may seek office within these guidelines:

Section 1. Any active ASUM member as defined in Article I, Section 2, of the Constitution is eligible to run for any ASUM officer or delegate position, provided he meets the qualifications for such positions as stated in Division II of the Bylaws.

Section 2. A candidate must file a petition with the Elections Committee for a specific office or for a specific Central Board district. Petitions are available from the Elections Committee, and must consist of the signatures, ID numbers, and local addresses and telephone numbers of one percent of the activity fee-paying students registered during the Winter Quarter of the Election. A student political party may present a slate of candidates for any or all elective positions upon petition of five percent of the activity fee-paying students registered during the Winter Quarter of the Election. The names of all candidates who are members of parties must be named on the petitions for that party. Candidates for President must run with a candidate for Vice-President, and each must complete a petition, unless they are part of a party slate.

Section 3. The names of all candidates shall be published in The Kaimen immediately after the validation of petitions by the Elections Committee. The names of the winners of a primary election, if one is held, shall be published immediately following said election. Notices of special elections shall be conspicuously printed in The Kaimen at least four times before the elections, including the two issues immediately preceding the election.

ARTICLE III. CAMPAIGNING: Campaigning is defined as any activity which, directly or indirectly, promotes ones candidacy for an ASUM office. This includes, but is not necessarily limited to, posting advertisements, distributing literature, publishing advertisements, or lobbying any voter.

Section 1. There will be no campaigning allowed before the start of the official campaigning period. No campaigning is allowed on the days of the election, and all posters must be removed before midnight of the day immediately preceeding the first day of balloting.

Section 2. The Elections Committee will sponsor two forums: one for Central Board candidates, and one for officer candidates. Other groups may sponsor forums or debates, but they must be approved by the Elections Committee to ensure fairness.

Section 3. No door-to-door soliciting is permitted in the Residence Halls or at the Married Student Housing. Soliciting is permitted elsewhere on campus.

Section 4. Posters may be placed on campus in accordance with these rules:

- a) General Buildings--Posters may be placed in any building on campus only on appropriate bulletin boards.
- b) Residence Halls--Posters may be placed in any Residence Hall on campus only on appropriate bulletin boards. All posters must be stamped as approved by the Residence Halls office.
- c) University Center--Posters and banners do not need to be approved by the University Center office. Light-weight mobiles may be hung with the approval of the University Center director and the assistance of a custodian. Posters may be placed only on bulletin boards and interior glass surfaces.
- d) Outdoors--Posters may be placed outdoors only on kiosks.

Section 5. Campaign expenditures by each candidate or President-Vice/President team and their supporters shall be limited to these amounts:

- a) President/Vice-President team--the maximum amount of expenditure allowed is \$150. If a Primary Election is needed, the total amount allowed is \$175.
- b) Business Manager--the maximum amount of expenditure allowed is \$100. If a Primary Election is needed, the total amount allowed is \$125.
- c) Central Board--the maximum amount of expenditure allowed is \$75. If a Primary Election is needed, this amount remains unchanged.
- d) Write-In Candidates--Any candidate running as a write-in candidate is subject to the same financial restrictions as registered candidates.
- e) Documentation--Each candidate or candidate team must document their expenditures for the Elections Committee by filing the appropriate forms, complete with receipts, by 3:00 pm of the day immediately preceding the General Election.
- f) Violations--Failure to abide by these rules shall result in the candidate being ineligible for election.

ARTICLE IV. ELECTIONS: One voting area only shall be set up, to be located in the University Center, and shielded from traffic. The polls for the general election shall be open for two days: a Wednesday and the immediately following Thursday. The polls will be staffed by a non-University organization, with a member of the Elections Committee in attendance at all times.

Section 1. A primary election shall be held for each officer position having more than three candidates. If a primary election is held, the two candidates for each position with the highest number of primary

votes will enter the general election. The polls shall be open for one day, on a Wednesday.

Section 2. The ballots for a primary election will consist of the names of the candidates for the two officer races consisting of more than two candidates or teams of candidates.

Section 3. The ballots for a general election will consist of two sections: one for the officer races, and one for the Central Board candidates. There will be separate Central Board ballots each of the different precincts, and students are allowed to vote for Central Board delegates from the district of their choice.

Section 4. To vote, a student must present a validated ID card and sign their name on a roster of students. Any other form of identification will not be accepted under any circumstances. Students may vote for only one candidate for each position, with the exception of Central Board delegates, in which case they may vote once for each seat in that district.

Section 5. The polls shall be open for at least fourteen hours over the two-day voting period.

Section 6. Absentee ballots will be available from the Elections Committee one week before the election date, and must be immediately completed, and then sealed in an envelope signed by the voter across the seal.

ARTICLE V. COUNTING: After the first day of voting, the ballots shall be locked in a safe, and may not be examined in any manner until the close of the polls on the second day of voting. Upon the closure of the polls on the second day, the Elections Committee shall supervise the counting of the ballots, to be done in the presence of the faculty advisor. No candidate, or any supporter, is allowed to assist with or view the counting of the ballots.

Section 1. Write-in votes need not be spelled correctly if the intent of the voter is clear.

Section 2. Any ballot which the Elections Committee decides is improper shall not be accepted.

Section 3. If the number of votes received by a winning candidate is only 3% or less greater than that received by a losing candidate, a recount of that race shall be made.

Section 4. A tie vote in a primary election shall cause the names of those candidates involved to be included on the general election ballot, provided that the number of votes cast would qualify each tying candidate in the absence of a tie. No candidate shall qualify for a general election as the result of a tie between other candidates receiving a greater number of votes.

Section 5. A tie vote in a general election shall result in the Elections Committee providing a special election to determine a winner, provided that tie results in a position not being filled.

Section 6. It shall require a plurality of the votes cast for all eligible candidates for a given position to elect any candidate.

Section 7. The results shall be approved with the signatures of the Elections Committee chair, the ASUM President, and the faculty advisor.

Section 8. The results shall be published in The Kaimen on the Friday immediately following the election.

Section 9. The decisions of the Elections Committee shall be final.

Section 10. Ballots shall be kept at ASUM for a period of two weeks, at which time they shall be destroyed.

ARTICLE VI. SUSPENSION OF CANDIDACY: Any candidate who violates any of these rules may be, at the discretion of the Elections Committee, be barred from participating in the election and denied from taking office.

ARTICLE VII. GRIEVANCES: Any candidate who disagrees with any ruling of the Elections Committee or who wishes to lodge a complaint concerning any action connected with the operation of the election including, but not limited to, rules violations by other candidates, voting discrepancies, and improper procedures, may appeal to the Elections Committee within forty-eight hours after the results have been released.

Section 1. The Elections Committee will examine the complaint and decide what, if any, action is warranted.

Section 2. The Elections Committee may, with the approval of Central Board, invalidate the results of the election or any race thereof and demand a new election, but it must do so before the first Central Board meeting following the election.

ARTICLE VIII. CALENDAR: Deadlines and dates shall be set according to the following schedule, which the Elections Committee may change as needed:
