6. Gullickson reported that Budget and Finance Committee denied the special allocation request from the Recreation Programming Committee. Budget and Finance Committee tabled requests from University Table Tennis Club, personal student request from Denise Dibb, and UM Baseball Club. (Appendix A)

David Jandt, President of Baseball Club, expressed his support for a special allocation for Baseball Club. Jandt informed the Board that due to his personal negligence that the Baseball Club wasn't represented during Formal Lobbying. He has since resigned as President and requests that the Board support the special allocation request for Baseball Club. David stated that he felt it was unfair to punish the entire Baseball Club for his error. Without funding from ASUM the Club's existence is in jeopardy.

Gullickson requested that Central Board comment on the Baseball Club special allocation request as it will be coming back before Budget and Finance Committee. Sauter recommended that the decision for the special allocation request be left to the 1985-86 academic year Budget and Finance Committee, since the allocation will come from next year monies. Discussion followed. Gullickson will bring the request back to the Board after Budget and Finance Committee reaches a decision.

Committee Reports

7. Robert LeHeup, Elections Committee Chair, reported that the elections are running smoothly, and if you didn't vote today you are still able to vote tomorrow.

Old Business

8. Sauter informed the Board that during last week's Final Budgeting session the Contingency Fund was approved with the stipulation that guidelines for the fund be set up at this week's CB meeting. Gullickson presented the Board with a draft of guidelines proposed by the Budget and Finance Committee. (Appendix B)

Gullickson - LeSueur -- Motion was made to accept the proposed Contingency Funds guidelines as a starting place. (Appendix A)
Discussion followed.

LeSueur - Henderson -- Amendment to the main motion to strike numbers 3 and 4 from the original proposal. Discussion followed.

Crilly - Baer -- Previous question. Upon vote, previous question passed. Upon vote, amendment to the main motion passed.
Henderson - Crilly -- Amendment to the main motion to reword #3 (previously #5) to as follows: Contingency Fund monies can be used by groups only when classified leave or when other unforeseen emergencies arise. Discussion followed.

LeSueur - Sullivan -- Amendment to Henderson's amendment to include: $2000 will be set aside for classified employees and $10,000 for special occasions. Discussion followed.

Crilly - Baer -- Motion to table the main motion and return the proposed guidelines to Budget and Finance for a new proposal. Upon vote, motion passed.

Gullickson reported on the legality of ASUM groups and organizations having downtown accounts. If groups place monies, that they earn through the use of ASUM funds, into downtown accounts they are in direct violation of state laws. The new budgeting process will better enable ASUM to monitor if groups are violating state laws with their downtown accounts.

Comments

11. LeSueur - It was not wise to table the Contingency Fund motion as now it will get really messed up.

12. Murillo - PUB met tonight and selected Tim Huneck as the new Kaimin Editor.

Adjournment

13. LeSueur - Baer

Motion to adjourn at 8:15 p.m. Upon vote, motion passed.
