NORTHERN CHEYENNE PROJECTS WIN GRANTS

MISSOULA —

The Montana Campus Compact has awarded $650 to composition students at Dull Knife Memorial College to produce an anthology of essays for the Northern Cheyenne and Miles City communities.

Another $350 will go to Dull Knife students working with the Boys and Girls Club of the Northern Cheyenne in an ongoing youth drama program.

The anthology project provides opportunities for elders and students to fulfill their traditional roles as instructors and listeners and will help build bridges between Dull Knife Memorial and Miles City Community colleges.

The drama program aims to meet the need for constructive and culturally relevant recreation for Northern Cheyenne young people.

The Montana Campus Compact is a coalition of 15 colleges and universities in the state working to involve students in community service. Headquartered at The University of Montana—Missoula, the compact awards small grants for service projects each spring and fall.
