The ASLM Central Board meeting was called to order by Bill Mercer, ASLM President. Members present were Gullickson, Johnson, Barbee, Boyer, Craig, Crawford, Crippen, Duval, Henderson, Husseini, McKittrick, Pinter, Solomon, Stuart, Sullivan, Tempel, Thompson, Tuss, Wold and Cawley. Murillo arrived at 7:00. Miller and Pouliot were excused.

The minutes of May 8, 1985, were approved as written.

President's Report

1. As a seconded motion, Mercer recommended that Gary Deschenes be appointed as the new ASLM Complaint Officer. Gary is a first year law student at UM and Mercer feels that ASLM is fortunate to be able to appoint a candidate with legal training.

   Boyer - Tempel — Previous question. Upon vote, previous question passed. Upon vote, motion to ratify Gary Deschenes as the ASLM Complaint Officer passed.

2. Mercer reported to the Board that the Executive Committee spent a great deal of time putting together the summer budget recommendation that will be presented to the Board tonight. A total of $7000 had to be cut from the original budget requests since ASLM has only $16,000 to allocate for summer budgets. Mercer asked that CB members keep the budgeting discussion at a professional level and refrain from making useless personal comments.

3. Mercer reported to the Board that he had a busy week with budgeting, working with the Alumni Association, attending the Citizen's Council meeting, and having lunch with Regent Dennis Lind. Mercer and Lind discussed the Day Care Program rent problems and other issues concerning students.

Vice President's Report

4. Tempel - Henderson -- Motion to ratify Ken Crippen to the University Athletic Committee. Upon vote, motion passed.

Business Manager's Report

5. Gullickson informed the Board that tonight's budget will be allocated by line-item as well as total. Brenda, the ASLM Accountant, will then input the line-item totals allocated for each group into the computer system. By approving the budgets with line-item totals there will be no further need for groups to do Adjusted Budget Requests. The groups will then be allowed to spend their monies only from the line-items for which they received funding. This will prevent groups from spending their monies in line-items that CB chose not to fund.
Committee Reports

6. Tuss, ASCRC, reported that the committee voted to rescind their previous action to increase the TOEFL score requirement to 580. No score or catalog description change will be recommended by ASCRC at this time.

7. Boyer, Election Committee, reported that there will be a tentative meeting next Thursday. Meeting time and information will be posted on the ASLM office bulletin board. Boyer still needs a CB member to serve on the committee.

Old Business

8. Boyer - Tempel -- Motion to approve the Summer Budget Resolution presented by Gullickson at last week's meeting. Upon vote, motion passed. (Appendix A)

New Business

9. Tuss presented the Board with a resolution for ASLM to declare May 13-17 as Greek Week. (Appendix B)

Tuss - Gullickson -- Motion to approve the Greek Week Resolution as written. Discussion Followed.

Whereas The Fraternities and Sororities comprising the Greek System have been a part of the University of Montana almost since its founding;

Upon vote, amendment to the motion passed. Upon vote, amended motion passed.

10. McKittrick presented the Board with a resolution asking them to support the TOEFL score requirement to remain at 490 and that the University fund the English as a Second Language Program. (Appendix C)

Dr. Hausmann, English Department, stated that there is a great need to fund the English as a Second Language Program because a student scoring 490 on the TOEFL exam would need additional English tutoring.

Boyer - Craig -- Motion to ratify the ISA Admission Requirement Resolution as written. Discussion followed.

Husseini - Johnson -- Motion to amend the resolution to read as follows: THEREFORE, Central Board strongly urges the University of Montana Administration to fund the English as a Second Language Program at a level that will meet our foreign students' needs.

(Appendix D) Gullickson read the Executive Recommendation for the different groups by line-item totals. (Appendix E) Mercer gave a brief justification of the totals recommended for each group.

Comments

21. Boyer - Was not satisfied with the outcome of budgeting and thought some better judgments could have been made.

22. Henderson - Thought tonight was the most responsible budgeting session he had ever been through. Nothing was railroaded through, everything was thought out and it is good to see everyone so concerned with the student activity fee. The students allocate $20 apiece to ASLM and I feel that we did a good job of allocating that money.

23. McKittrick - Will the money we allocate in academic budgeting have to directly benefit the academic year student? If so, I really have trouble with that philosophy. I think you can benefit the University of Montana and the students without directly benefiting the individual student. I would like to request that during roll call voting that the order be rotated so the same person isn't always first or last. I think that some people are passing just to see how someone else is going to vote. I can understand passing if you can't make up your mind how to vote. I have problems with people abstaining, unless they have a direct conflict with the issue. We have a responsibility to vote for the students and when we abstain we are letting the students down.

24. Mercer - Mercer commented that he is the student representative on the University Collective Bargaining team. The Collective Bargaining has been working on next year's academic calendar. Mercer reported that he went into the bargaining session with one thing in mind - to equalize the length of the quarters. For the next academic year fall quarter will be 49 days, winter quarter 47 days, and spring quarter 48 days. This schedule will equalize class time and provide some additional vacation time for students.

I was very pleased with the way budgeting went tonight. It was my experience that in the past it was sometimes like a three-ring circus. Budgeting was done in a very fair manner and you are to be commended for the job you did. This Board has shown an awful lot of enthusiasm during spring quarter. I hope that you all remain as interested as you are now and I look forward to a great fall and winter with Central Board.

Regarding our appointments I have to apologize to some of you. I missed a few appointments this week. Please check with me, I want to keep having these appointments if possible.
Adjournment

25. Gullickson - Tempel -- Motion to adjourn at 10:05 p.m. Upon vote, motion passed.
