**Explanation**

- CB Members: V = Present, N = Not Present
- ASUM Officers: V = Present, N = Not Present
The ASUM Central Board meeting was called to order by Mercer, ASUM President. Members present were Boyer, Craig, Crawford, Crippen, Duval, Henderson, Hussein, McKittrick, Miller, Neuman, Pinter, Pouliot, Solomon, Stuart, Sullivan, Tempel, Tuss, Johnson, Gullickson, and Cawley. Wold was excused.

1. The minutes of January 15, 1986 were approved as written.

**PRESIDENT'S REPORT**

2. Motion to ratify John Velk as a Central Board Member. Discussion followed. Previous question. Previous question passed. Upon vote, motion passed.

3. **Craig - Tuss** -- Motion to enact the Bylaws so that a two-thirds vote be required to ratify any new CB member. Upon vote, motion failed.

4. Motion to ratify Kevin Connor as a Central Board Member. Discussion followed. Previous question. Previous question passed. Upon vote, motion passed.

5. George Mitchell, Director of Auxiliary Services, spoke to the Board regarding the Food Service Petition presented to the Board last week. Mitchell gave the Board a series of handouts and explained his actions concerning North Corbin Hall, the Food Service Meal Plan, and the proposal to contract the Food Service to an independent corporation. Mitchell explained that the net revenues of all auxiliary services have been declining in the last few years. His obligation is to keep fees at this University low and the facilities in good condition, therefore, net revenues must be generated. Mitchell stressed that he has no intention of contracting an independent food service corporation unless they can improve what our University has now. The corporation must do exactly what we do now and at the same time they can not reduce the net revenues. Mitchell told the Board that he is fully prepared to accept the judgment of this group with regard to whether he should proceed with the inquiries of food service corporations. He would appreciate a decision from the Board as soon as possible.

6. Mercer and Cawley expressed their concern over the recent 2% budget cut announced by Governor Schwinden. Mercer presented the Board with a memo from President Bucklew explaining the budget cuts of the University. The budget cuts from the central administration accounts will amount to $108,000 while the remaining $347,942 must be cut from the operating accounts of the institution. Mercer added that faculty salaries will not be affected because it is evident that they are already underpaid. Cawley told the Board that the most troubling issue should be the fact that a 4% budget cut may be called for next year. Many more things will have to be cut next year including faculty salaries. The focus for this battle will be next year's legislation.
7. Mercer presented the Board with the revision of PUB Board. Both the Ad Hoc Subcommittee and the Constitutional Review Board will review this and make a recommendation to Central Board. Mercer asked the Board to please examine the document and let him know if there are any questions.

(a) Any eligible member as defined in Article V, Section 13, may file for candidacy by petitions signed by one percent of ASUM membership. The elections will be held during elections for ASUM officers and Central Board delegates.

(b) If more than six ASUM members file qualifying petitions, a primary election will be conducted to narrow the field to six.

(B) Publications Board shall be assisted through the participation of the following non-voting, ex-officio members:

(1) Kaimin Business Manager;

(2) Yearbook Editor;

(3) Faculty Advisor, appointed by the ASUM President with Central Board ratification; and

Section 2. Chairperson.

(A) The Chairperson will be the highest vote-getter in the qualifying elections;

(B) The term as chairperson shall be one (1) calendar year. No person shall serve more than two years as chairperson.

(C) The chairperson shall call meetings, make recommendations, appoint subcommittees, enter into discussion and preside over meetings.
(D) The chairperson may be removed by vote of four (4) voting members of Publications Board. If the membership is below five (5), no such action can be taken until the Board has been restored to five (5). Central Board may overrule such a removal by a 2/3 (two-thirds) vote of Central Board. Should this occur, Publication's Board, through a vote of four voting members, may choose to appeal the Central Board decision at the next regularly scheduled Central Board meeting.

(E) In the event the Publications Board business will continue during summer quarter and the chairperson will be absent, the ASUM President shall appoint a summer Publications Board chairperson from Publication's Board, subject to majority approval of Central Board.

(D) Publications Board shall have authority to request line-item changes in each publication budget but may not create new line items without Central Board approval. If Publications Board shifts funds among line items, it must report the shifts to Central Board.
