BUTTE TAKES MEET AND MISSOULA CUP; ZUNDLE FIRST IN INDIVIDUAL HONORS

MACDONALD, LAD IN KNICKERS, IS FIRST AMONG DECLAIMERS

Takes Boys' Contest With Selection of "The Cremation of Sam McGee."

GALLATIN GIRL WINS

Eloise Wilson Recites "Her Country"; Eight Prizes Awarded.

John MacDonald, representative of Great Falls high school in the declamatory contests won first place in the finals of the boy's declamatory contest last night. MacDonald won his way into the hearts of the judges by his presentation of "The Cremation of Sam McGee," and when the announcement of the judge's decision was given in his favor, the University auditorium fairly shook with cheers and hand clappings for the young speaker. MacDonald, a lad in short trousers, seated upon the stage, looked like a child among the other contestants, but a good presence and the proper delivery, succeeded in placing him at the head of the list.

Miss Eloise Wilson of Gallatin high school, was the choice of the judges for first place in the girls' declamatory contest. Her ease and clearness of delivery in her selection, "Her Country," gave her first honors. Miss Nellie Lawson of Conrad, Montana, won second place in "Sally Ann's Experience." Flathead county high school placed third in the list. Miss Esther Bierman's presentation of "The Going of the White Swan" gave her third place. Fourth place was won by Mary Morgan in "Zora's Race," while fifth place was taken by Miss Helen Owen of Baker, Montana. Her selection was "How the LaRue Stakes Were Won."

The second and third places in the boys' declamatory contest was won by

LIVINGSTON WITHDRAWS; CRACK ATHLETE INJURED

When Lee Ritchey, Park county's sprinter, fell through the skylight of the Florence hotel, receiving minor injuries, Park county was forced to withdraw from the relay races today. Ritchey took part in yesterday's 50-yard dashes and while he did not place in that race, Park county expected him to be one of the winners in today's 100-yard dashes, which was one of his best races. He was the chief hope of their relay team.

Ritchey fell through the skylight, outside the team's rooms in the Florence hotel, to the kitchen, one floor beneath. His injuries consisted of a number of cuts from the glass of the skylight and twelve stitches were taken by the doctor in ankle, side, elbow and knee. None of the cuts were serious, but they will be sufficient to keep him out of any more races.

President Sisson Will Present Awards to Winners in Interscholastic.

JOLLY-UP IN THE GYM

Eighty-nine Prizes Will Be Distributed to Successful Contestants.

Eighty-nine prizes, medals, ribbons and cups, will be presented by President E. O. Sisson to winners of interscholastic track, field and speaking events and essay contest, tonight, in University hall. Preceding the presentation ceremonies, the students of the University will hold "Singing on the Steps," and afterwards there will be the annual "Jolly-up" and dance in the gymnasium.

Students will gather for the "Singing on the Steps" at 7:15 o'clock. "Red" Allen, the cheer leader, will then lead in songs and yells. Interspersed in the cheering will be talks by students and faculty men of the University. In accordance with University tradition, as the tower clock strikes 8 o'clock, the students will remain silent, then as the clock strikes for the last time, they will softly sing "Old College Chums," the University hymn, and quietly disperse.

In athletics, President Sisson, on behalf of the University, will present five cups, four of which will be awarded permanently this year. These are the Missoula cup, offered by the Missoula Mercantile company for the school which will be given to the school which has won the greatest number of points in the last five meets; the special silver cup given by the University to the win-

Dwyer Smashes State Record in High Jump and His Prowess Helps Give Victor Second Place With 27

Points, 18 Behind the Winners; Helena Is Third With 25 Points; Domitrovich Equals State Record in 100-Yard Dash; Cates of Victor Is Heavy Point Winner.

BULLETIN

Butte high school scored 45 points in the two-day Sixteenth annual track meet held on the university campus and won first place. Butte scored 21 points Friday and 24 today. Zundle of Butte takes high individual honors with 17 points.

Victor wins second place with 27 points. Dwyer, who smashed the state high jump record and Cates were the heaviest point winners for Victor. Helena was third with 25 points. Fisk was the heavy point winner.

Butte won the relay race from Missoula, who paced in second place.

The points of the meet follow: Butte 45; Victor, 27; Helena, 25; Corvallis, 17; Great Falls, 15; Gallatin, 13 1-2; Missoula, 13; Florence-Carlton, 13; Stevensville, 11; Hamilton, 9; Polson, 9; Anaconda, 8; Libby, 6; Lincoln County, 6; Billings, 5; Terry, 4; Butte Central, 3; Fromberg, 3; Jefferson County, 3; Park, 2; Harlowtown, 1; Three Forks, 1; Fergus County, 1-2.

Butte wins three permanent trophies, the Missoula Mercantile Co. cup, the University relay cup, and the Montana cup for first place in the meet. The team will hold as a temporary cup the trophy awarded to the team winning the meet first three times. Helena will hold permanently the Victor relay cup.

The individual point winners: Zundle, Butte, 17; Cates, Victor, 14; Fisk, Helena, 13; Dwyer, Victor, 13.

Rarely has the annual interscholastic track meet been pulled off under more ideal weather conditions that greeted spectators and athletes at 2 o'clock. It was a warm, fair day. In the morning Chairman Walter L. Pope shook his head sadly and predicted lugubriously that there would probably be a small crowd and a difficult day for the runners. At noon a drizzle fell, driving a picnic party of faculty and visitors into Simpkins barracks for luncheon. Gloom hung like a shroud on the campus. At 1 o'clock patches of blue began to appear in the sky and a flood of sunlight poured down.

As soon as the gatemen were on the job, spectators began to appear until at the beginning of the meet both of the long stands were crowded. The Missoula county high school delegation took its accustomed place and began early to enliven things. Butte students began a series of vocal volleys, confident that their team was a winner.

A great many more townspeople were present today than at yesterday's games. It was a holiday crowd; it was a gala day. The outpouring of Missoula citizens was full

evidence of the interest the meet holds. The morning's rain was not enough to slow up the track.

Good-natured partisanship featured the competition of cheering in the stands for favorites, but when a young athlete, flying down the track like the hero of Athenian games, made a particularly good record, then a great roar burst from hundreds of throats, and he was accorded the full mede of applause due to a winner.

It was a magnificent setting—Mt. Sentinel a great green bulk in the background; the tall poplars fringing

the turn of the quarter-mile track; the closely-packed crowd with its school colors and summer finery, and the competitors, their young bodies burnished in the sun.

There were few halts. Starter Varnell and Clerk of Course Richards were up to the usual mark of efficiency.

The exhibition drill by R. O. T. C. men which was to have been held before the opening events on the track, was postponed. The majority of the R. O. T. C. men were called to do

WHY RUN AWAY FROM IT?

We hope that every high school visitor will leave Missoula with the intention of returning to enter the University upon the completion of their high school course. The State University of Montana is yours. This institution is maintained and enlarged by your parents for your particular benefit.

Of course, there is the old idea that "going east to college" is the only thing, but the benefits derived from an eastern college are far less than those you will receive at your home University. The education you derive from any institution will be in exact proportion to the amount of work you put into your studies and not on the size of the school. Your University affords as high a degree of learning as any University in the country. There is a closer bond of friendship between students at your University that is never found in a larger college. You will meet Montana men and women, with the real Montana spirit, and whose acquaintance you will learn to value more and more as you get to know your home state better.

Montana is your home and her University is yours. The best way to know yourself, your state, and those among whom you will make your home is to attend your own University. There are none better.

ner of the relay race; the Victor relay cup given by the Whitney Sporting Goods company, will be given to the school which has won the greatest number of points in the relay races of the last five meets; the Montana cup is given by the University to the team winning the meet. The Spaulding cup will be given temporarily to the school winning the meet. It will be awarded permanently to the school which first wins the meet three times. There is some doubt as to when this cup was first given. If it were given in 1913, then Missoula and Gallatin are both eligible for the permanent award, each having won two meets since that time.

If given since 1914, then only Missoula is eligible.

To the highest individual point winner of the meet will be given a gold pocket-knife, by the University. To the winners of first, second and third places will be given gold, silver and bronze medals. To winners of fourth and fifth places will be given blue and red ribbons.

In declamation, the winners of first, second and third places in the boys' and girls' contests will receive gold, silver and bronze medals. The next two winners in the girls' contest will receive ribbons.

A souvenir cup is given temporarily to the high school winning the debate contest. It will be given permanently to the school winning it three times. The best debater receives a gold medal. In addition, a \$50 scholarship and books will be given to other winners. The high school senior writing the best essay is given a gold medal.

After the presentation of prizes, the interscholastic guests, and University students will go to the gymnasium where the dance and "Jolly-up" will be the closing feature of the sixteenth interscholastic meet.

MACDONALD TAKES FIRST
IN DECLAMATORY CONTEST

(Continued from Page 1.)

Cecil Morris of Billings and William F. Graham of Butte, Montana. Their selections were "The Three Things" and "The Ballad of East and West," respectively.

The other declamatory contestants and their selections in the finals were: Walter Dunnigan of Custer county high school in "You Are the Hope of the World;" "The Glory Box" by Florence Daly of Teton county high school; "The Night Ride of the Overland" by Catherine Parmely of Manhattan; "Fight the Good Fight" by Esther Heron of Havre and "The Heart of Old Hickory" by Thelma Keating of Columbus, Montana. There were thirteen contestants in the finals, nine of them being girls and four of them boys.

The University auditorium was crowded to capacity. Many auditors were compelled to stand. The University orchestra, under the direction of Miss Grace White, instructor of violin, furnished the music of the evening. Professor Howard M. Jones of the department of English presided at the contest and the judges who gave the final decisions were W. J. Sanders of Spokane; A. W. O'Rourke, Helena, and Mrs. Philip S. Brown of Missoula.

Welcome

President Hopes Interscholastic Guests Will
Return as Students

The University is happy in the presence of its guests this week—principals, teachers and students of the high schools of Montana. You are joining with us this week at play, in one of our most festive occasions. You have caught the unique beauty of the University's situation—Mt. Sentinel watching over us from the east, the oval, the buildings half hidden in the trees, and the fine Missoula weather—may it hold till the end of the meet.

As you walk the campus and glance through the halls, the laboratories, the lecture rooms, the library, you see also the silent evidences of our more serious occupations, which are of course the great pervading elements of University life, as they are of your own high school life.

We trust that many who have participated this week as welcome visitors and as resolute contenders for the honors of the interscholastic, will return as members in full standing to share in all the life and activities of the University.

Edith McDonald, ex-'21, of Big Timber is the guest of her sister, Ann McDonald, at the Delta Gamma house.

TEACHERS LUNCH IN BARRACKS

Inclement weather during the fore part of the day made it necessary for the picnic given for the visiting high school principals, coaches and chaperons, to be held in Simpkins barracks, instead of on the campus. It was planned to have the picnic on the portion of the campus between the School of Journalism and the Main hall. The picnic was held primarily for the purpose of getting acquainted. Simpkins barracks was taxed to the limit accommodating the visitors. Several of the men living in the barracks volunteered their services as waiters.

Follow the crowd to the Rochester for the best pool and billiard tables.

guard duty at the gates, and a sufficient number could not be summoned for the drill.

No accidents or untoward events marred the meet. Lee Ritchey of Park county could not compete because of slight injuries received in a fall, but this was the only event that so much as caused a flurry.

Coach Schreiber estimated that 3,000 persons saw the meet.

Trials in the 100-yard dash opened the meet. In the first heat Domitrovich, the Anaconda flyer, nosed out Mattison of Butte. Time, 10 4-5.

Ralph Stowe, the Missoula speed marvel, easily outran his competitors in the second heat. Joe Cambron, the Harlowton boy, was second. Time was 10 3-5.

Rockefeller took a first in the third heat with Collins, individual champion of last year, second. Wester of Dawson county copped the lead in the fourth heat and held it to the tape. Carr of Flathead county raced in second. This was a slow heat. Time, 11 seconds.

Dwyer of Victor, who won the broad jump yesterday, took the next heat, and Cates also of Victor, not to be outdone, won an easy victory in the sixth heat. Time in both heats, 10 4-5 seconds.

Covalt of Polson, who won his way to the semi-finals in the 220-yard dash yesterday, took first in the seventh heat with Duffy, the Florence sprinter, second. Time, 10 4-5 seconds. Bryne of Victor headed the other men in the final heat to the red twine. Abearn of Helena took his dust in second place. Time, 11 seconds.

Finals in 120-Yard Hurdles.

With a great burst of speed over the last two hurdles and to the tape, Dowling of Stevensville, last year's winner, nosed out Hollibaugh of Hamilton and Schaffer of Butte. This was one of the prettiest races of the day. Dowling's form and his sprinting ability earned him a fine victory. When the men were three-fourths of the way down the track they were neck and neck. Hollibaugh was a good second; Schaffer, third; Prosser of Helena, fourth, and McAuliffe of Butte, fifth. Dowling clipped off a fifth of a second of last year's mark in the high hurdles.

Domitrovich grabbed first in the first semi-finals of the hundred and Collins came in second. Time, 10 4-5.

Stowe took first in the second semi-final and Dwyer of Victor second. Time was fast, 10 3-5.

Covalt, the tall sprinter of Polson, running easily, led the way in the final semi-final, showing his heels to Cates of Victor. He equalled Stowe's time.

Scattering drops of rain fell after this race and the sky was overcast with the weather assuming a threatening aspect. Rain fell later in the meet.

Sprinting for the last 220-yard with the race easily his, Fisk of Helena captured the mile run in 4 minutes, 49 2-5 seconds. This miler showed a fine flash of form in the last two laps. Frank Humble of Corvallis had no chance to head Fisk when the latter let loose on the back stretch, but he finished a nice second. Lyle of Helena was third; Morden of Anaconda, fourth, and Gibson of Missoula, fifth.

In the first trial of the 220-yard low hurdles Davis of Great Falls was first and Schaffer of Butte second. Time, 28 3-4. Dowling of Stevensville took the next heat with Berg of Helena second. Time, 28 1-5. Hollibaugh of Hamilton won the third heat with Sullivan of Stevensville, second. Zundle of Butte and Hanf of Corvallis were first and second in the fourth heat.

The quarter-mile was Collins' race. The Great Falls boy repeated his victory of last year. Taking the lead in the back stretch, he ran well ahead of the pack and won without trouble. Cates of Victor captured second with Wagstaff of Butte close on his heels. Steve Guilio of Jefferson scored the first points for his team with fourth

place. Oliver of Gallatin and Stephens of Fergus tied for fifth. Collins ran the race one-fifth second slower than in 1918. Time, :54.

Dowling and Davis of Great Falls qualified in the semi-finals of the 220-yard low hurdles for the finals. Time, :28 3-5. Zundle of Butte and Hollibaugh of Hamilton qualified in the second heat. Time, :28 1-5.

A plentiful supply of sand gave Ralph Stowe first place for Missoula in the finals of the 220-yard dash. Covalt of Polson led his fleet rival until close to the finish when Stowe came up even with the Polson man and passed him in the last few strides. Butte added five points to her record as Rockefeller took third and Mattison fourth. Leh of Three Forks was fifth. The time was slower than in the trials of yesterday when Stowe set a state record. Stowe competed in 100-yard trials and finals before the 220-yard final and could not be expected to equal the fast race of yesterday.

Half-Mile Run.

In the 880-yard run Nueman of Libby could not hold his lead, gained in the first lap from the fast Helena middle-distance runner, Fisk, winner of the quarter. Fisk breezed past Nueman in the last fifty yards and won first. Nueman was second; Freeman, the negro boy of Butte, third; Dolan of Libby, fourth, and Wilson of Jefferson county, fifth. The time was 2 minutes, 7 seconds, within one second of the interscholastic record held by W. Jones of Missoula.

When Zundle, one of the best all-around athletes of interscholastic years, captured first place in the finals of the low hurdles, he took the five points necessary to carry to Butte the Missoula Mercantile company cup. Dowling, Stevensville, finished second; Davis of Great Falls, third; Schaffer of Butte, fourth, and Hollibaugh of Hamilton, fifth. Time, 28 seconds.

Javelin Throw.

Erath of Florence-Carlton hurled the javelin to first place. He threw the stick 136 feet, 6 1/2 inches. Bright of Terry finished second; Wilson of Fromberg, third; Zundle of Butte, fourth, and Warwood of Gallatin county, fifth.

Dwyer smashed a state record, the mark held since 1914 by Cort Howard.

now a varsity athlete, by clearing the bar in the high jump at 5 feet, 8 inches. Howard's mark was 5 feet, 7 1/2 inches. Prosser, Helena, second; Cates, Victor, third; Hollibaugh, Hamilton, fourth; Burpee, Lincoln, fifth.

Butte one the relay race in spite of Stowe's great effort to overtake Rockefeller, the last Butte runner.

AGGIE BALL TEAM TO PLAY VARSITY SQUAD NEXT WEEK

**Bozeman Bunch Will Arrive
in Missoula on
Monday.**

Take down those Camel and Lucky Strike signs from your face, men. Take a few exercises in chest expansion and put your extra lung space in order for the baseball games Monday and Tuesday afternoons.

The Bozeman Aggies will make their first appearance on the varsity baseball diamond within the memory of the present student body. That Coach Benning is showing signs of nervous prostration is evident from the fact that he is after the scalp of Cort Howard. He is protesting the appearance of Cort on the diamond through one of the conference rulings. He failed to give his records a close enough scrutiny, however, and Cort will be there.

The track squad which went to Bozeman today will return Sunday noon. The Aggie aggregation will arrive the following day. Guides will be at the station in sufficient numbers to see that the country cousins make their way safely to a proper hostelry and later be conducted to the University.

Two victories over the Aggies will give the varsity the Montana state championship. When Washington State college is put to defeat in the two games they will soon play here, the State University can claim the north-west conference championship. Washington State has taken the long end of the score in every conference game they have played—except with Montana. This will mean that Montana has the strongest college team this season in the northwest.

The games with the Aggies will be called at 4 o'clock each afternoon.

Missoula's Colors Now on Flagstaff

A piece of white canvas, a paint brush, a pot of purple paint, Butte high school leading in the scoring of the first day of the interscholastic with 21 points, caused the riot to start.

Butte students elated with the fruits of victory decided to make use of the flag pole on North Higgins avenue at 9 o'clock last night. They did. Soon the flag of the Copper city's enthusiastic throng was floating on the breeze telling the world that Butte was leading the meet.

Missoula high students saw the enemy's rag and became peeved. They rushed the flag staff and the fun started. Soon a good fight was in progress around the staff. Things were beginning to look like war times when the police stopped the encounter. The flag was lowered by the law and given a watery grave in the Missoula river.

And this morning when visiting contestants walked down Higgins avenue they saw purple and gold pennants flying from the top of the flag staff and the halyards made fast to the pole forty feet from the ground.

IOTA NU ENTERTAINS.

Iota Nu fraternity entertained twenty visiting high school men at a dinner at the Florence hotel Thursday evening. At the close of the affair "Gussie" Scherck gave a short talk on the opportunities afforded by attending the State University. He urged the graduating high school students to return in September as Montana students.

"Butter" Driscoll ex-'21, of Butte, Lloyd Johnson '17 of Ronan, and Edward Stanley '17 of Butte are track meet visitors in Missoula.

Two Grizzly Stars Return Next Fall

Two of the visitors to the Sixteenth Interscholastic track meet are "Steve" Sullivan and "Swede" Dahlberg, two Grizzly football letter men. Both have signified their intentions of returning to the University next fall. Coach Schreiber is pleased with the prospect of a victorious eleven with the return

Dahlberg

Sullivan

of many veterans of past Bruin football teams.

Dahlberg made the varsity with the 1916 squad and was a tackle and guard that played an aggressive and wonderful offensive game. Sullivan was a member of the 1917 Bruin eleven. He played half back and was a hard fighter and good offensive player.

Other Bruin men who are going to return next fall are "Butter" Driscoll, Jimmie Harris, "Fat" Laehy, Frank Dries and others. These men with the good freshman material of this year give promise of developing into one of the strongest Grizzly elevens ever developed at the University.

CAPTAIN VISITS CAMPUS; WILL ENTER U IN FALL

After serving 20 months in the army, a greater part of which he spent as a captain of infantry, W. K. Brown, recently discharged at Camp Lee, Virginia, is visiting on the campus. Brown is a graduate of the University of Michigan and is intending to register in the law school here next fall.

He obtained his commission at Camp Stanley, Texas, at the second officers' training camp and was held there as an instructor at the third officers' training camp. At the end of that camp he was sent to Camp Lee where he was placed in command of a company of replacement troops for overseas.
